PARKS, RECREATION & COMMUNITY SERVICES

Wee People focused curriculum on colors. Each day children wore different colored clothes to school. Tuesday and Wednesday, children and teachers wore red, Thursday, children and teachers all wore blue and Friday green was the color of the day. Worksheets revolved around coloring objects of certain colors and tracing the color word. The children practiced their color songs to get ready for graduation which will be held at Nellie Weaver Hall on June 21st at 6 p.m. Children will be experimenting with color mixing. The question of the week was “What will happen if we mix these two colors together?”

Wee Twos learned about fruits and vegetables. Children reviewed pictures of certain fruits and vegetables to determine which group they belonged in. The craft for the week was finger painting different vegetables. The children also had the opportunity to participate in the tasting of different fruits. They especially enjoyed the juicy, refreshing oranges. Teachers read books about healthy eating.

Kids Club and Kids Zone enjoyed a week of books! Kids made a funny face “All about Me” book, and a “My Family” book. D track went back to school on Wednesday, while A track went off-track for the month of June. Kids Zone’s weekly field trip was to the movie theatre. The children decorated the Off Track program with festive summer projects, including big ice cream cones and beach balls.

T.G.I.F. kids cannot get enough exercise! After stretches and warm-up drills, teachers explained the sport for the day. Children were separated into teams and each child was given a racket. Balloons were used instead of balls for our version of racket ball. A low net was set up and children played racket ball for their activity. Snack was apple sauce and raisins.

Kids Night Out will be held on Saturday. Children will make a blooming tulip craft with construction paper and sticks. To decorate the walls with a spring time look, children will paint a flower garden on butcher paper and hang it up to admire. Children will eat pretzels and juice for snack, while watching “A Bug’s Life”.

MISSION STATEMENT

“To serve Norco residents and businesses in a professional, ethical, and cost effective manner with excellent customer service and to provide a high quality of life in a community that values a rural atmosphere.”
