93	City is too focused on businesses & has been ignoring the citizens quality of life. Too much crowding of new buildings & businesses & the freeway off-ramps, roads, intersections are absolute nightmares. Spend more money on sheriff officers & focus on our safety, mail theft, traffic . It is not horse friendly any more. City has run horse people out of town. Manure bins are outrageous in price . Citizens feel council & city employees are not working for them even though their salaries are being paid by taxes & fees from the citizens. Very sad. Know a lot of people who have left & are thinking of leaving. Not because of California issues but because of Norco NOT caring about it's own citizens & only doing what is on their own agenda. You are suppose to care about the people of this town & not about your own personal agendas. Been here a long time & it is sad to see this is truly NOT Horsetown USA anymore.	9/6/2023 10:32 PM

119	Until recently, Norco, California was a unique dedicated town known as Horsetown, USA. Most residents had families and loved the equestrian lifestyle, and backyard farm life. 6th st resembled a small Midwest town where children and adults could ride their horses and tie up outside any store or Cafe and stop for a meal or supplies and head home. Many of the churches held Sunday service on horseback, and events and sports competition was small, volunteer led, and included families. It began dying sadly about 2014. Many residents moved out of state, fwy construction and repair, diverted out of town residents to cut through our town bringing excess traffic noise and speeding through our nostalgic town and completely disrupted and destroyed our once tranquil town In addition, the dumbest moves our city council has made over the last 20 yrs consisted of selling off our land and allowing the highest bidder, the right to rezone neighborhoods an available land so the corporations get what they want regardless of the neighborhood optics for gaining the almighty dollar. Money , while needed at times, causes chaos, corruption and the loss of what made Horsetown USA a unique family town. The last 5 years here, We have witnessed bare farm land and residential roads give way to massive warehouses and commercial business Blvd. The things that Norco once provided its residents, had given way to destroying our little town in both peace and safety and small family town life. What's the city's 2050 vision? Does it matter? Will it even show any resemblance to a unique American town? Will there be any 1/2 acre single residence lots left? Or will Norco become just like any other town in California, dirty, crowded, overbuilt, overrun with mega warehouses? The last city council promised to curtail the large building projects just as soon as the few commitments were finished there would be no more building. Ha! It didn't stop. It has continued on and on. I guess the only promises our city leaders can keep, is to forget about any other promises they've made. I'm also disgusted that council meetings are held on Wednesday evenings at 7:00, just like every other parent teacher meeting , Bible study, or sport practice. No wonder attendance is low. Maybe it is by design. I'm certain that Horetown is at this point irretrievably lost. I'm certain I'm not the only resident that feels betrayed. I have wanted to love here since the late 60s. I finally made it in '08- and within that first year the town began to fold in on itself because of legislation that was passed by the newly elected POTUS. Shameful. BTW I have more to say and I'm not the only one. I will come back to this tomorrow	9/5/2023 10:33 PM

My family roots go way back when families were given chickens! Several Uncles were station at base. Several Aunts and My grandma worked at The Norcorian when it was hopping. She dated one of the owners of Philips & Morris.	9/5/2023 8:23 PM

my mom and Aunts would swim there. Norco needs a better recreational program for children. Dances for teenagers, things for our Children grandchildren to get involved in every weekend. Bring in a Movie theater on Hamner or 6th St. Bring in Inside family fun park. Build a huge softball stadium for tournaments. Silver lake is soccer, concerts!!!

Those of us that moved here, did so For the equestrian friendly City government, along with a City council that agreed with the equestrian lifestyle. However, the current director of public Works has not resolved several City ordanances that don't agree with the Equestrian community, including the large manure service for haul off. Suggest to replace the current director of public works to one more equestrian friendly and who has equestrian facilities here in the City of Norco. 2- There's also no safety here, especially with the city council member whose incites riots during the black lives matter Community uprising. Had it not been for her, the riots never would have come to the city. She should give the community an apology for her thoughtless actions. Her actions directly caused aggression within our city boundaries. 3-	9/5/2023 1:45 PM

24	The new construction and warehouses will bring traffic to norco.	9/15/2023 5:14 PM
25	Fix the bottleneck roads. Streets are out of date. Walls are collapsing along roads with no accountability and repair. Prohibit vehicles on horse trails with deterrents	9/15/2023 3:45 PM
26	No	9/15/2023 1:50 PM
27	Improving and maintaining roads	9/15/2023 12:53 PM
28	No multi family complex	9/15/2023 12:04 PM
29	Too many people speeding - more law enforcement to enforce current speed laws.	9/15/2023 11:19 AM
30	No apartments. We don't need more houses or big businesses. We need the agriculture community to stay alive in this city. There aren't any like it in SoCal. Don't ruin it for money or politics	9/15/2023 11:10 AM
31	Keep our lifestyle as is!!!!!!!	9/15/2023 10:52 AM
32	Law enforcement. Traffic flow - particularly around schools. Eliminating homeless, drug trafficking and solicitation in the community (and, especially the hotels).	9/15/2023 10:16 AM
33	Make the streets safer everyone and maybe add some speed bumps in the residential to help stop the speeding problem	9/15/2023 10:11 AM
34	The Roads in the neighborhoods around 6th street are an old and unpaved.	9/15/2023 9:42 AM
35	Preschool for children that live in Norco	9/15/2023 9:20 AM
36	Parks and fields should be open to the public. Too many fenced off and lock up publicly funded parks.	9/15/2023 9:06 AM
37	Fixing horse trails that are not maintained. Seeing homeless people on sixth street and second street getting closer to homes is also a little frightening. School traffic on Temescal, third, and hillside Ave is terrible. We need a speed limit sign on Hillside Ave between second and third street, so many people speed and drive unsafe.	9/15/2023 9:05 AM
38	Traffic through residential streets	9/15/2023 8:54 AM
39	Gentrification	9/15/2023 8:53 AM
40	It's not always about the money. It's not always about diversity. Norco is special, because of the way Norco has been. The people that try and change that will forever changed Norco for the negative.	9/15/2023 8:20 AM
41	Some type of affordable housing somewhat. I'm a single parent making 75k a year and make too much for income based, but \$2800 a month for a 2 bedroom I don't qualify for with 3x rent	9/15/2023 4:40 AM
42	Keep Norco old town country. Were not a city were a town	9/15/2023 4:20 AM
43	More city activities in Rodeo Arena,	9/15/2023 12:21 AM
44	We don't want multi family. Keep norco rural with large lots.	9/15/2023 12:03 AM
45	Create a large Central Park type like in NY but with horsetown values in mind.	9/15/2023 12:01 AM
46	The homeless everywhere	9/14/2023 11:21 PM
47	More modern amenities in parks	9/14/2023 11:12 PM
48	Keeping the power lines underground in the River bottom. No more warehouse developments.	9/14/2023 11:02 PM

City of Norco - 2050 General Plan

Maintain agriculture and equestrian properties/ not allowing development to remove these attributes from properties.

49	Traffic around the school areas. Neighbors can't get thru because it's a complete stop.	9/14/2023 10:58 PM
50	An old town plaza/strip on 6th street would allow a place for family/friends to gather and eat and shop or participate in activities.	9/14/2023 10:48 PM
51	Yes 🙌 let's keep Norco clean respecting our local business	9/14/2023 10:39 PM
52	We need a "Lead Norco" training program led by the different city departments. Mentoring people who will come and apply on our committees and commissions. We need to allow for different viewpoints - right now some groups have more power to control the narrative of our town and more input needs to be acceptable.	9/14/2023 10:17 PM
53	The city looks ugly please plant greenery	9/14/2023 10:11 PM
54	Having a city council that does not adequately represent our diverse community. I'd like to see younger people representing our town if we are looking forward to 2050.	9/14/2023 10:05 PM
55	We have great community events with large turnout. But we need to make sure there's traffic control and spaces to ensure the events can handle the amount of people that come out.	9/14/2023 9:37 PM
56	We NEED sidewalks. One side horse trail, the other side sidewalk.	9/14/2023 9:23 PM
57	Horse trails are fine but having curbs and curb appeal increases value. Trails are not well kept and the city does not want to care for the weeds and dry brush along the trails and streets. We should look more like Yorba linds	9/14/2023 9:19 PM
58	Keeping single family home dynamic with large lots for animals.	9/14/2023 9:11 PM
59	Would like to know why our street hasn't been redone for over 25 years and only certain streets are maintained on a regular basis, and why bash was just on Facebook just a couple months ago saying norco is broke I think prioritizing needs to be revisited	9/14/2023 8:55 PM
60	Don't be so strict with golf carts	9/14/2023 8:44 PM
61	Fix the streets!!! Lights, fences, clean the weeds ...	9/14/2023 8:35 PM
62	Let people with motorized vehicles have better riverbed access open up the trailway on norco drive by wayne makin that they use for construction, we pay for it its public why limit it? Of because you like CONTROL, COMMUNIST!!	9/14/2023 8:28 PM
63	It would be very nice to not have hot or warm water coming out of our cold water faucets!	9/14/2023 8:20 PM
64	Don't let semi trucks on California ave!	9/14/2023 8:19 PM
65	Keeping Norco rural!	9/14/2023 8:17 PM
66	Fixing dilapidated city fence posts.	9/14/2023 8:15 PM
67	Maintaining our st. Not just finishing one side and not the other. Needing curves to avoid flooding and updates. Especially second st high traffic area speeding with no speed bumps. St lights needing for families can walk at night	9/14/2023 8:14 PM
68	Keep supporting small businesses	9/14/2023 8:13 PM
69	Open first Street to 4 lanes	9/14/2023 8:07 PM
70	Signal maintenance at major intersections and freeway off-ramps. Our signals are horrible. Hamner and 6th is the worst. Need to get this under control	9/14/2023 7:58 PM
71	Big business is needed but we need young city council to help navigate this new generational challenges. Stop electing friend. The negotiation for the Silver Lakes property was a complete fuck up.	9/14/2023 7:54 PM
72	We don't need Plaza's and multi residential properties	9/14/2023 7:40 PM
73	Horse trails horse trails. New roads. Roads are all very low quality.	9/14/2023 7:39 PM
74	Certain businesses being allowed to be in residential neighborhoods. Example Car max and Leaps & bounds	9/14/2023 7:35 PM

City of Norco - 2050 General Plan

75	Need more staff	9/14/2023 10:13 AM
76	The staff and man power at the city agency itself is lacking. departments do not have enough staff to run programs to impact the community more.	9/14/2023 10:12 AM
77	Keeping the large lots large and not subdivided into smaller lots creating a denser population in a space meant to keep animals or grow gardens	9/13/2023 3:07 PM
78	Maintaining a small town feel and open spaces while also trying to make sure buildings/spaces don't become dilapidated and run down.	9/13/2023 7:00 AM
79	Fix the roads!	9/12/2023 9:26 AM
80	Fix our roads, fix our drainage issues so that it doesn't flood out streets. Put in Sidewalks so people can push their kids in a stroller not in the street. Open up the ability for more good restaraunts and shopping. Everyone is going to Eastvale or Corona and our "Rural" city is becoming full of warehouses, hotels and gas stations as our main attractions. Who they heck is making these decisions??	9/12/2023 8:42 AM
81	Creating a community with a focus on environmental sustainability	9/11/2023 6:58 PM
82	Include more western themed businesses along Hamner.	9/10/2023 8:34 PM
83	Better road maintenance and stopping water leaks, like the one still leaking on El Paseo.	9/9/2023 7:34 AM
84	CNUSD special education services and programs have been gutted by Dawn Rust.	9/8/2023 7:38 PM
85	No multifamily homes.	9/8/2023 12:27 PM
86	Just more affordable senior living housing in Norco	9/7/2023 9:03 PM
87	No	9/7/2023 8:31 PM
88	Maintaining large lots and complying with state housing laws when Sacramento does not know us or care.	9/7/2023 7:40 PM
89	None	9/7/2023 5:45 PM
90	I explain in the first question we need more signs for horse, crossing, when the horse trail continues on the other side of the street!	9/7/2023 5:04 PM
91	None.	9/7/2023 1:37 PM
92	There are a lot of roads that are deteriorated. We need to get the worst streets repaved. Traffic at the high school is awful. We need to come up with a plan to reduce traffic or perhaps open a second high school.	9/7/2023 12:02 PM
93	Support local businesses and large businesses as well. Keep the chain stores and restaurants out.	9/7/2023 10:48 AM
94	Do not allow electrical wires in the riverbed. Remove the homeless so they don't set our homes on fire.	9/7/2023 9:46 AM
95	Maintain the streets....	9/7/2023 7:30 AM
96	Too many businesses already built that make it a nightmare getting through intersections- we don't need 2 drive through coffe places in a small strip mall which already has horrendous traffic backups on Hamner, 6th street & freeway ramps.Norco is one city that does not need bicycle lanes. I do not want to be riding my horse on a trail next to traffic & then have a bicycle lane with bikes coming along to spook a horse & send them into traffic. The city's actions have been ruining the horse lifestyle here.	9/6/2023 10:43 PM
97	Ingalls needs more seating and parking.	9/6/2023 8:32 PM
98	Need for speed humps on residential streets that have chronic speeding due to commuter traffic.	9/6/2023 6:04 PM
99	Keeping it rural and catering to animal keeping	9/6/2023 5:36 PM
100	Traffic control and speeding cars running stop signs	9/6/2023 4:48 PM
101	no	9/6/2023 2:11 PM

City of Norco - 2050 General Plan

102	Keep Norco equestrian lifestyle NOT Orange Co.	9/6/2023 11:22 AM
103	No	9/6/2023 9:12 AM
104	Do not allow homeless to gather or live on streets.	9/6/2023 8:26 AM
105	loosing our Rural lifestyle	9/6/2023 7:51 AM
106	Homelessness is rampant, with questionable individuals regularly roaming neighborhoods and businesses. There also is a glut of similar businesses in close proximity to one another; hotels and burger restaurants, for instance.	9/6/2023 7:25 AM
107	More opportunities for community farmers markets/gardens and sharing of local produce/products. Continuing to modernize, update, maintain roadways/buildings without building additional structures so as to maintain the small town living. Also would be nice to out electrical wires underground	9/6/2023 7:24 AM
108	The City needs to continue homeless assistance programs which prevent fires, reduce demand on law enforcement and ensure the quality of life for residents and businesses, as well as help Norco residents that have fallen into homelessness.	9/6/2023 7:05 AM
109	More Trails along the river	9/6/2023 6:45 AM
110	It is time to address properties that are full of weeds, junk & inop vehicles. Million \$ homes next to trash is just ignorant & Norco needs to start addressing it.	9/6/2023 5:54 AM
111	Street repair. Speeding cars. Better communication to the community about special events.	9/6/2023 12:10 AM
112	keep it like it was designed to be open lots for animal keeping Keep the woke out of Norco	9/5/2023 10:47 PM

114	Keeping crime low	9/5/2023 10:08 PM

116	No	9/5/2023 8:58 PM
117	We do not need a bicycle lane through Norco! We are Horsetown USA not Bicycle town USA!	9/5/2023 8:26 PM
118	No	9/5/2023 8:17 PM
119	Controlling traffic flow through the city (ie 6th St used to by pass the freeways to Riverside, use of residential street as short cuts to neighoring communities)	9/5/2023 8:02 PM
120	Keep Norco graffiti and homeless free!	9/5/2023 7:58 PM
121	Create income for the city without big business	9/5/2023 7:30 PM
122	The most pressing issue is to stop all of the water leaks, sink holes, & road closures. Its insane!!	9/5/2023 7:13 PM
123	Keeping the homeless people at bay, finding them new locations. Making 6th street a retail destination spot that attracts people from other cities including Silverlakes visitors.	9/5/2023 6:32 PM
124	ADU's are mandatory- I undestand that HOWEVER it seems to me that parking sewer power water etc needs to be considered to keep our equestrian animal farming community what it is. Survive and thrive!	9/5/2023 6:16 PM
125	Maintaining the small town and small business. No apartments. No mobile homes. No housing projects that brings the criminal element.	9/5/2023 5:52 PM
126	The lousy job done on the streets! We got updated asphalt, and within months, a water pipe burst. No fault, but the lousy patch job they did on it is so ugly. We went from having a nice, new, pothole free street to ghetto. Many streets are in shambles. And I once they begin, they seemingly take forever to complete the job. Streets with schools on them are not equipped to handle the number of people on them. It's a shame that something cannot be done to help the congestion.	9/5/2023 5:50 PM

130	Concentrate on crime and homelessness	9/5/2023 5:19 PM
131	Keeping Norco, Norco. No more big businesses or buildings. More homey and rural.	9/5/2023 5:04 PM
132	No more big commercial stores. It makes it less of the old town feel.	9/5/2023 4:43 PM
133	N/a	9/5/2023 4:37 PM
134	Streets are too narrow and the horse trails are taking up a lot of the space. Streets are not maintained there's no street sweepers especially along 6th Street. Sidewalks are desperately needed for pedestrians there's a danger to having to walk in the street or the horse trail especially for the disabled. Drainage systems are a must in this city and we are desperately lacking that. Streets are not maintained there's potholes everywhere which make it difficult to navigate	9/5/2023 4:29 PM
135	Maintaining law and order within city limits, encouraging vagrants to move along.	9/5/2023 4:26 PM
136	Roads are hazardous	9/5/2023 4:16 PM

138	Na	9/5/2023 4:02 PM
139	ADA parking will be an issue if it's not taken into account when plans are submitted. Parking in the front yard is not acceptable on rental properties. No, I don't want Associations set up but maintain the Single Family Home requirements even if 2 units are on the property, as in setbacks, parking, etc.	9/5/2023 4:01 PM
140	No	9/5/2023 3:58 PM
141	Yes please keep the West side looking rural . I feel Palamino has really altered and made the area look like Amazon and the big warehouse theme is encroaching and swallowing up Nirci like it has our highways and california.	9/5/2023 3:51 PM
142	The powerlines that Riverside is trying to put in the Riverbed	9/5/2023 3:43 PM
143	More restaurants for attractions for tourist and nice hotels.	9/5/2023 3:43 PM
144	Keep our town safe with the removal of homeless and transient.	9/5/2023 3:42 PM
145	No Code Enforcement for Old Town. Anything goes including broken down cars in front yards, junk yards on property, motor homes in front yards, no weed abatement, etc. You don't see these problems in other parts of the City. These are violations that Code Enforcement sees in front of their faces, yet nothing is done. Seems like City officials just don't care about the eyesores we all must look at.	9/5/2023 3:42 PM
146	Publish annual financial statements for Norco and invite the citizens to come and ask questions from said statements. Hold this on two separate dates to allow those that want to participate an opportunity to attend. Thank you.	9/5/2023 3:39 PM
147	Attracting restaurants with more variety than what is currently offered in town. It's a shame we have to go outside of the city to enjoy a more upscale meal; plus, it would surely benefit the economy in the long run.	9/5/2023 3:37 PM
148	1964 my uncle Gil Cox was first Mayor. We fought to keep this a horse town	9/5/2023 3:35 PM
149	lack of adequate traffic enforcement. surface roads could be made from quieter materials so they aren't so loud.	9/5/2023 3:34 PM

151	Staying true to what Norco is all about. We don't want to be like Orange County.	9/5/2023 3:20 PM
152	Access to law enforcement and personal self defense against the rising crime rate	9/5/2023 3:17 PM

attending our events.

155	Keeping big business or apartments out of Norco	9/5/2023 3:04 PM
156	Making sure that there is no extra houses on half acre lots. That they stay single family homes. I do not want to see apartments next to my house.	9/5/2023 3:02 PM
157	Public safety, homelessness and drug use. We don't want to become like neighboring cities. Over run by crime and homelessness	9/5/2023 3:00 PM
158	I would like norco to keep its small town value	9/5/2023 2:39 PM
159	Law enforcement	9/5/2023 2:38 PM
160	Public safety and equestrian safety are no longer well in hand. Gone are the days of feeling safe-at home or on the trails.	9/5/2023 2:34 PM
161	Remove the homeless. Don't house them and support their poor choices with our tax dollars. Let them work like everyone else. Enforce laws on criminals. Don't criminalize the victims.	9/5/2023 2:33 PM

166	No	9/5/2023 2:25 PM
167	With the growth of warehousing industries in Norco, especially between 1st and 2nd Streets, Norco should put the brakes on any such future development, otherwise we won't have a diverse local economy. Also, the community needs to support Norco College and recognize it as a valuable commodity. Adding at least one access road to it is imperative.	9/5/2023 2:22 PM
168	Not at this time	9/5/2023 2:20 PM
169	Norco is unique because of it's rural, small town feeling. Don't built apartments here!	9/5/2023 2:15 PM
170	Infrastructure, water mains constantly breaking, causing further damage.	9/5/2023 2:15 PM
171	Close the prison and refurbish The Norconian Hotel	9/5/2023 2:14 PM
172	Large lots for agriculture was the main reason most of us moved out to Norco. Keep inverters out of our town and have it remain a safe place for families.	9/5/2023 2:14 PM
173	Help keep us updated but keep our lifestyle. I lov Norco and I'm close enough to shopping etc	9/5/2023 2:11 PM
174	Too many rules and laws regarding a person's property.	9/5/2023 2:09 PM
175	Widening of streets only out residents and riders in danger. Too much traffic from neighboring cities cutting through streets as shortcuts puts local riders and people in danger all in the name of new development	9/5/2023 2:08 PM
176	Security in the riverbed	9/5/2023 2:07 PM
177	Do not allow apartments in Norco. Keep Norco housing for individual families with large lots.	9/5/2023 2:07 PM
178	I like aspects of a modern city, not a old and antiquated one.	9/5/2023 2:06 PM
179	Aggressive traffic (speed) enforcement on 6th street and its side streets. Not so much on Hamner.	9/5/2023 2:06 PM

189	Na	9/5/2023 1:51 PM
190	Lack of action regarding speeding cars surrounding Norco high on second street. The area desperately needs a traffic light and/or speed bumps to ensure the safety of kids walking to school and the many families that live in the neighborhood. Neighbors don't feel safe letting their kids play outside with people racing up and down the street.	9/5/2023 1:51 PM
191	Stop ADA construction	9/5/2023 1:49 PM
192	No	9/5/2023 1:49 PM
193	D develop a general plan around the equestrian team, as you have. Stick to it. Try to eliminate trashyness along main Street! Your city is a diamond in the rough, expand on it! Important	9/5/2023 1:49 PM
194	Dirt bike motorists riding in non designated areas leaving trash and scaring farm Animals Crime at hotel Sites	9/5/2023 1:48 PM
195	Western themed Parking structures near the big event venues & possibly more exits & entrances built. Gridlock happens during Fairs, Concerts etc	9/5/2023 1:48 PM

197	All bout Horses	9/5/2023 1:46 PM
198	Respect and inclusion of all cutters, race and religion. Remind people that Small town doesn't mean only white rich and Christian. American small town should mean family, friends and neighbors	9/5/2023 1:46 PM
199	1-Equine friendly folks are a dying communit, especially in Norco and throughout Southern California. Those of us that moved here, did so For the equestrian friendly City government, along with a City council that agreed with the equestrian lifestyle. However, the current director of public Works has not resolved several City ordanances that don't agree with the Equestrian community, including the large manure service for haul off. Suggest to replace the current director of public works to one more equestrian friendly and who has equestrian facilities here in the City of Norco. 2- There's also no safety here, especially with the city council member whose incites riots during the black lives matter Community uprising. Had it not been for her, the riots never would have come to the city. She should give the community an apology for her thoughtless actions. Her actions directly caused aggression within our city boundaries. 3- Additional safety concerns have to do with the level and number of homeless that stage down at the river bed. More work has to be done to help these people. Theft, robbery, and drugs seem to be rampant along the City's River boundaries, and it's not safe to ride in the riverbed.	9/5/2023 1:46 PM
200	These questions are unanswerable. By checking the box are you saying, yes we need that, or no we don't?	9/5/2023 1:45 PM
201	Having the building department work from one set of rules. Making the permit process homeowner friendly. Permit process is widely known for making it very hard for a homeowner to make any home improvements without a big fight from the city. It's very unfortunate to see all of the unsightly properties in town, while others are trying to make their property nice, and have to fight with the city to do it. It's really sickening.	9/5/2023 1:45 PM
202	This is small town living and I don't think it would be in our own good sense.	9/5/2023 1:45 PM
203	Maintain a pro-safety and first responder position for all to see.	9/5/2023 1:45 PM
204	Please keep our snap town rural community without large apartments or industrial buildings	9/5/2023 1:43 PM
205	Do not cave to apartments or multi family housing	9/5/2023 1:42 PM
206	Continue your equestrian motif and lifestyle. I believe this uniqueness will pay out in diamond or the city.Be unique, be different, they will come!!	9/5/2023 1:42 PM
207	Traffic issues, allowing people to turn residential streets into streets to race on in the weekends, and cut across town. Turns my street particularly Sierra Ave into a nightmare at	9/5/2023 1:41 PM

morning and afternoon traffic! I wish we could put speed bumps on my street, my dog got hit last year, a hit and run driver. He's a 100 lb shepherd. Cost us thousands at the vet. Plus on a not so important issue, when will Sierra get our pretty estate fencing? We seem to be on the tail end of getting it here between 3rd and 4th!

208	Is there a way that street construction can concentrate on one area at a time? Multiple road closures cause major traffic issues.	9/5/2023 1:41 PM
209	Keep the developers out, keep it historical city.	9/5/2023 1:40 PM
210	Keeping large lots for animal keeping and not allowing additional buildings on large lots	9/5/2023 1:40 PM

212	Continue to be a "small" city focused on Animal keeping lifestyle on LARGE SFR LOTS	9/5/2023 1:38 PM
213	SAFETY!!!! Crime and homeless	9/5/2023 1:38 PM
214	There are a lot of dirt bikes, golf carts n motorized vehicles on the trails on the Bluff side of Norco. I have to watch out just to walk my dogs.	9/5/2023 1:38 PM
215	Keep it rural living	9/5/2023 1:38 PM

219	Housing for senior equestrians. High cost of manure disposal.	9/5/2023 1:37 PM
220	Norco needs to explore opportunities that will provide income to sustain the rural lifestyle that so many before us have fought to keep. We need to push back when when development wants sidewalks and bike lanes. This is a community that has horse trails not sidewalks. There are plenty of places bike riders can visit that will and do accommodate for them. People need to understand we should not be expected to lose our horse trails for bike lanes and sidewalks. We don't go to Huntington Beach and demand they change the sidewalks to allow horses... the expectation that Norco needs to accommodate to all these other activities will be the ruin of what Norco is and we will be the next Yorba Linda where horses are not kept.	9/5/2023 1:37 PM

224	We need to clean up Norco. Get rid of the homeless & make people take care of their property.	9/5/2023 1:36 PM
225	No more industrial buildings!! My great grandfather helped build the town of norco in 1923... I'd like to see it keep its small town feel.	9/5/2023 1:36 PM

236	Homelessness population making it undesirable to frequent city businesses, parks, open spaces, etc.	9/4/2023 1:22 PM
237	A lack of a central area of commerce for locals.	9/3/2023 5:35 PM
238	Ensuring traffic congestion doesn't get worse as the city grows commercially and residentially. Maintaining city streets to fix the constant problem of excessive potholes	9/2/2023 11:07 AM
239	Engineering and building roads properly. its seems like they get torn up a lot just after paving them. Grants for ADU's or land survey grants to divide property so we can lower the cost of building.	9/1/2023 2:43 PM
240	Accessibility for physically disabled, elderly, or people without a car is very poor at present.	8/31/2023 9:05 PM
241	None	8/31/2023 10:22 AM
242	With all these ADU's going up, the schools are getting double the kids from one lot now. The streets can't handle that amount of traffic in most areas. Make it harder for subs and adu's to happen here.	8/31/2023 10:20 AM
243	The City should create a sufficient number of dedicated disabled parking spaces at the Ingall's event center located close to the arena and Ingalls Hall areas.	8/30/2023 11:17 AM
244	Maintaining landscaping, keeping trees and plants watered, and weed control.	8/30/2023 11:07 AM
245	A moderately priced restaurant and more local shopping.	8/30/2023 10:46 AM
246	Stop harassing those on single family lots to implement city changes. What has been place for years should be left alone. How about the city implement those that have extended or built into backyard trails rather than just turning their heads on the matters like this. Same goes for driveways in n horse trails.	8/30/2023 6:20 AM
247	Bike trail through Norco	8/30/2023 5:37 AM

249	None	8/29/2023 10:35 PM
250	The various potholes on the streets throughout Norco pose safety concerns for everyone. Also, several broken main underground water lines add to this problem by further creating uneven roads.	8/29/2023 10:00 PM
251	Address the issue with e-bikes - enforce traffic laws that pertain to these, and keep these motorized vehicles off the horse trails.	8/29/2023 9:36 PM
252	We need a dog park. Why has silver lakes been such a limited use facility? No dog Park, no walking or running paths, no open green spaces for picnics, etc	8/29/2023 8:23 PM
253	We moved to Norco from a small town of 24,000 people. It's only 1 hour from Norco. I volunteered on the Board of Directors for Community Services of that town. We were responsible for coming up with events and neighborhood activities to help promote neighbor interaction. Many of these activities were centered around holidays. It might be nice to find a way to promote more neighbor interaction. Many people are shy and just wave from a distance.	8/29/2023 8:10 PM
254	We need to focus on attracting new restaurants and fast food	8/29/2023 8:08 PM
255	Stop allowing city council and city officials to push their personal agendas on homeowners.	8/29/2023 7:59 PM
256	Stop screwing over kids sports. Provide more community activities (ie the pool) hold silverwood to the agreement you all sold us on there are norco events being held at that norco park which ever politician li Ed their pockets on that one sold us all a bill of poop	8/29/2023 7:57 PM

258	Depends on what you mean by large employers and large industries	8/29/2023 7:42 PM
259	Less traffic	8/29/2023 7:34 PM
260	Horse trail maintenance can be more economical and durable if the trail is built with stones compatible for horses trekking. The present sand filled trails are costly to maintain by frequently refilling, re-leveling, blocking and re-routing the eroded tracks/trails due to rain,	8/29/2023 12:03 PM

storms and other waters and high Santa Ana Winds etc. In addition these sand trails at homeowners drive ways are causing damage to their cars, tires with nail punctures, wheel alignments, sand scratches/scrapes on cars body paint etc. Below are couple of weblinks of coble stone pavements for horse riding trails that are suggestive for Norco City to replace the sand trails. These pavements can be built with sloping to drain water into public storm drains. The color of the coble stone can be to match the adjacent homeowners green lawn or separate it with sand color or brown or other colors. 261	Greater law enforcement presence, primarily to remedy the stop sign runners.	8/28/2023 5:03 AM
262	Ideally we would like to maintain the equestrian lifestyle, add more shopping centers like Norco Village but would like to see a Trader Joes, higher end restaurants and shopping stores. Lastly, would love to get the roads fixed, too many potholes, even in residential streets.	8/23/2023 4:07 PM

264	Relocating the homeless and providing programs for rehab Cleaning up trash along streets and neighborhoods Limiting the # of vehicles and trashy items in front yards	8/22/2023 10:51 AM
265	Our streets are in desperate need of repairs. So many pot holes that is causing major damage to our vehicles	8/21/2023 6:31 PM
266	Increasing population of Homelessness	8/21/2023 5:44 AM
267	Allowing more reasonable city staff who are not rude to allow building on their own property.	8/19/2023 12:57 PM
268	Preventing Norco from going the way of our neighbor cities overrun with warehouses, industrial buildings and track neighborhoods	8/17/2023 6:28 PM
269	Building warehouses and freeway hotels is not congruent with the lifestyle of Norco, combating these types of developments is a challenge for Norco. Meanwhile Norco city streets are brutal.	8/17/2023 5:46 PM
270	Would like to see some development of the vacant shopping area on Parkridge and Hamner. A movie theater and anchor restaurant would be nice.	8/17/2023 10:36 AM
271	Residents front yards are an eye sore so many home owners have junk or broken down cars in front yards. Just makes the city look trashy. Prioritize clean up of residential yards	8/17/2023 7:19 AM
272	Corporate land purchases	8/16/2023 7:23 PM
273	That are roadways are in good shape. So it makes traveling through Norco easier.	8/16/2023 6:48 PM
274	Maintaining and upgrading our utility grid. Acquiring new eating establishments that are not fast food emporiums	8/16/2023 7:39 AM
275	I would like to make our trails, streets accessible to all, but putting bikes and horses together make it difficult. I do like what Eastvale park did with their trail. Wide, open to horses, bikes, pedestrians, and seems safe, but takes a lot of land that I don't see available in Norco. It provides a place for all to go. I would like to see the tunnel under Hamner opened to everyone.	8/16/2023 6:39 AM
276	fiscal responsibility not just for large lots but for long term maintenance and future issues	8/15/2023 8:33 PM
277	All business entities existing in Norco should definitely contribute to our tax base for the maintenance of our infrastructure	8/15/2023 7:43 PM
278	Still waiting for new trail fences that we agreed to increase our taxes for. In my area Sycamore Estates, many areas have either broken or no trail fencing.	8/15/2023 7:40 PM

280	Street maintenance!!! The streets are worse than third world countries. Sorry but I need to speak the truth. Drive down Temescal between 6th and 7th and it's a Disneyland ride. Unacceptable and keeping our property values low.	8/14/2023 9:32 AM
281	Repairing the roads does not appear to be a priority	8/13/2023 3:46 PM
282	In the last 30 years, I have seen a decline in the number of horses. Too many of my neighbors	8/11/2023 10:57 AM

now have construction equipment and junk cars in their backyards. Norco is slowly sliding downhill to just being a giant junkyard. We need to stop this.

283	Enhancing and maintaining Norco's infrastructure in the next 25 years and beyond. Measure R helps significantly. Need to look into enhanced high speed internet connectivity with more than 1 carrier. Assess Horse trails crossing busy streets as traffic continues to grow.	8/10/2023 6:28 PM
284	IT LOOKS LIKE WE HAVE ENOUGH NEW BIG INDUSTRIES.	8/9/2023 12:54 PM

287	Insulating Norco from Sacramento overreach.	8/8/2023 10:01 PM
288	Fix the pavement on Valley View street and other streets.	8/8/2023 11:09 AM
289	The residential streets are in terrible condition. They have been for years and are getting worse. There are some that are so bad that I won't drive on unless I'm in my Jeep Wrangler with the big tires and custom suspension and shocks.	8/8/2023 9:36 AM
290	We want to live in a safe community where the crime rate is low	8/7/2023 11:14 AM

294	Policing our streets. Educating the traffic about the lifestyle that we promote by safely having cars bikes and pedestrians as well as horses	8/3/2023 2:58 PM
295	Streets full of big pot holes like valley view ,between third and fifth street.	8/2/2023 12:20 PM
296	Lets keep Norco like old Norco focusing on equestrian and animal keeping -- small community - no large businesses (like Carmax etc)	7/29/2023 9:25 PM
297	Yes, we need a dog park! A real dog park. Animal keeping my butt you absolutely refuse to put in a dog park! I've asked for years and still no dog park. Go to other neighborhoods daily just to have a place for dog to run. But you frown on letting dog of leash! But no dog park anywhere ! Shame on this city.	7/28/2023 10:07 AM
298	The city of norco is losing millions of tax dollars from not maintaining the city park ways. This would increase higher home prices and increase the cities revenue. People live the equestrian concept but don't like the way the city is maintained. It's looks like a pomona when it should be maintained like Eastvale . There is no excuse for the brush on the slopes being dead and just dirt showing. I love norco but it's embarrassing the way the city keeps the city areas	7/27/2023 3:52 PM
299	Speed bumps are needed on valley view between detroit & 7th street. Large quantities of motorists drive at very high speeds by my house.	7/27/2023 7:47 AM

303	Continue to fight the State and its BS housing rules	7/25/2023 6:43 PM
304	I would like to see bookstores, coffee shops, bakeries, more quality restaurants, gift shops especially on Main Street. I believe we should take advantage of our town's motto: City Living in a rural atmosphere; use our equestrian lifestyle to attract visitors/tourism to our town.We should study what Temecula did for example. We should show our uniqueness as a rural town surrounded by large cities.	7/25/2023 6:02 PM
305	I live here for the equestrian lifestyle and larger properties so that is my priority. We also need to ensure we are prioritizing ways to keep our homes and wildlife safe from fires, using water responsibly, and not taxing or electrical grid. Residents and city officials can work together on those issues.	7/25/2023 12:43 PM
306	No apartments, except for seniors.	7/24/2023 8:10 PM

312	We have too many parks	7/12/2023 11:35 PM
313	Keeping the community rural. The new builds are creating traffic Norco was not designed to handle!	7/10/2023 11:43 PM

327	Increasing public safety including bringing back traffic officers to enforce speed laws.	7/4/2023 7:40 AM
328	To many abandoned and disintegrating buildings on 6th street and Hamner. Too many car sales lots and hotels.Makes Norco look like an old abandoned falling apart city. Not many businesses or things to do here to bring people in to spend time and money. Eastvalle growth has taken business away from Norco.	7/3/2023 9:17 PM

151	More sheriff patrols catching all the speeders! Horse trails are no longer safe for equestrians. Especially in "Old Norco"! It's always the same people running stop signs and racing down the street at all hours with no sheriff in sight! 184	Keep the original lifestyle. Out restrictions on commercial fast foods, limit the amount of these restaurants. We like more Pats kitchen type restaurants and in the years it look like this is a thing of the long past. The local schools have got to do better at teaching sustainability in this community. Not just roll out the typical CNUSD nonsense. Corona is a totally different type of city. We loose everything once the youngest are not taught sustainability in their own community	9/6/2023 12:19 PM
185	Norco would remain a small town with focus on agricultural needs for our animals.	9/6/2023 11:59 AM

264	A 6th shopping area that has a mix of small mom/pop shops that are unique to Norco. Folks would be able to walk or ride in carriages along 6th St. to visit the shops.	9/5/2023 3:59 PM
265	Large lots with open spaces/trails and animal friendly. Maintaining "Horsetown, USA".	9/5/2023 3:56 PM
266	Keep the over bearing dated tall buildings out like rite aid look away. Keep the rural feel . This is why it is special.	9/5/2023 3:55 PM
267	People are buying up properties specifically to build ADUs with no intention of owning animals. They want multiple units to rent out. They only care about the land. Please try to enact municipal codes to deal with it in the best way possible.	9/5/2023 3:55 PM
268	Built more new restaurants with horses to be outside waiting.	9/5/2023 3:47 PM
269	Support your local small farmers.	9/5/2023 3:46 PM
270	keeping large lots open for animals, less construction on lots to ensure proper animal keeping	9/5/2023 3:44 PM
271	Norco used to feel like a old fashioned country town but now those in charge have let too much of the outside world in. Let's get back to the old town feel.	9/5/2023 3:39 PM
272	Horse town more rodeo s and horse shows	9/5/2023 3:39 PM
273	Maintaining its unique style feel and vibe	9/5/2023 3:35 PM
274	Well maintained/landscaped horse trails and public spaces and roads	9/5/2023 3:28 PM
275	Dont squeeze the horse community out. Invest in REALLY keeping it there.	9/5/2023 3:26 PM
276	Fixed roads	9/5/2023 3:24 PM
277	Activities for the kids of all ages	9/5/2023 3:23 PM
278	Stop building houses. And absolutely NO apartments. No more industrial buildings. There would be open fields for kids to run and play in and people to ride their horses. Build a skate park and a community pool for the kids. We would have a good steak house and not so many pizza places.	9/5/2023 3:20 PM
279	Continue trends toward public safety and response to crime.	9/5/2023 3:19 PM

City of Norco - 2050 General Plan

280	Large lots, open space, minimum commercial/large business.	9/5/2023 3:19 PM
281	Feeling like you just drove into an old west town	9/5/2023 3:18 PM
282	Life within our means (the city's) quit building on every vacant lot for tax revenue. Traffic is terrible, hamner is too close to freeway onramps so people block intersections and cut other drivers off.	9/5/2023 3:14 PM
283	STOP urbanizing Norco. Better kept trails, better maintained streets, better traffic enforcement. Start planting trees. Stop turning our city into a dry wasteland where residents have to breathe smo-ridden air from distribution centers that are allowed to use as much water as they want while we go on restrictions.	9/5/2023 3:14 PM
284	Replace old run down residential lots on 6th with rehabbed or replaced old western style boutiques, and Artisan food shops. Expand small local business opportunity to leverage visitors attending equestrian events, rodeos and soccer events. Similar to Old Town Temecula.	9/5/2023 3:12 PM
285	Norco concerts with bigger artist	9/5/2023 3:09 PM
286	I see safe trails for horses and separate trails for bikes including e-bikes. Lots of local business. 6th street would be a visitor destination. Need our hay stores left alone.	9/5/2023 3:05 PM
287	Better streets improving trails	9/5/2023 2:58 PM
288	Continued focus on equine or larger properties, rustic life styles. I understand the challenges & the need for revenue, But at the very minimum keep development to specific areas of Norco. Focus in on our rural equine routes and bring in those types of businesses. Encourage that type of development sections of the city. If you're not careful, Norco will become any other city, and it will no longer be one of those communities that people strive to afford to move to.	9/5/2023 2:53 PM
289	Refurbish Norconian Hotel and open up to the public with fresh restaurants and shops	9/5/2023 2:48 PM
290	Keep large apartment building out of Norco!	9/5/2023 2:44 PM
291	Public safety	9/5/2023 2:40 PM
292	Making 6th st the hub of our town with western themed businesses	9/5/2023 2:40 PM
293	Covered parking across from City Hall. Solar panels could be used as a cover.	9/5/2023 2:34 PM
294	Keep Norco Norco and not Orange, Corona	9/5/2023 2:34 PM
295	Norco is not the community that I moved to in 1976!! That is when the rural life was most important!! Now the only thing this city is interested in is MONEY!! They do not spend it on things that are needed ie: road repair, horse trail, law enforcement, etc. I am very disappointed in the way this city is going!!	9/5/2023 2:34 PM
296	More utilization of the Silver Lakes facility for horse event.	9/5/2023 2:34 PM
297	Better paved roads, clean up homeless in the river bottom. Provide entry level jobs for teens and college students. Have training and classes available to teach people how to grow and harvest their own food including livestock. Help with circles of people who can barter and trade goods and services to help when dood is scarce and we need to pull together as a town to survive what is on the horizon.	9/5/2023 2:33 PM
298	All people would be safe.	9/5/2023 2:32 PM
299	More parks, activities for kids, playgrounds, splash pads	9/5/2023 2:31 PM
300	Norco would maintain it's small town ag focused feel.	9/5/2023 2:30 PM
301	All utilities updated and underground. Future streets all have lighting and made wider.	9/5/2023 2:30 PM
302	Live/work lofts alongside cafes/shops along 6th towards Ingalls or Hamner/Detroit corridor	9/5/2023 2:30 PM
303	Help for the homeless build a shelter we seem to have more compassion for the animals than we do for human beings	9/5/2023 2:28 PM
304	More local shops and restuarants so that I am keeping my money in Norco rather than eastvale or corona, and places my kids and I can ride our bikes to.	9/5/2023 2:28 PM
305	Ensure horse theme is preserved	9/5/2023 2:27 PM

City of Norco - 2050 General Plan

306	Drastically lower permit fees and allow us to build covers for our trailers without paying crazy permit fees. Be consistent in enforcing codes. I see a lot of people out of co Online with zero animal keeping areas. This is a huge reason I want to leave Norco. I spent a lot of money on my trailers which are getting damaged by the sun.	9/5/2023 2:26 PM
307	Go back 20 years	9/5/2023 2:25 PM
308	Infrastructure for sustainable energy, especially for the inevitable increase in the use of electric vehicles.	9/5/2023 2:23 PM
309	I wouldn't change anything, but clean up the trails and roads. Also I feel Norco is a fire hazard. So much junk in people's property. Enforce laws and get it cleaned up!!	9/5/2023 2:22 PM
310	Keep Norco rural.	9/5/2023 2:20 PM
311	New ideas are great only if it keeps the community in mi d. Our families have been here for over 40 years and we see how new development bring big city problems to our little town. Crime, more homelessness graffiti on our walls and city parks are brought here with all these new people on surrounding areas. We've had developers come and work in our city hall and tear up streets and neighbors yards all in the name of "development". Change is good, if it's meant to benefit our community but too often it only benefits the developers and too often impedes on our rural living and Norco was once known as Horsetown USA. Now it's known for a quick cut thru for Eastvale and Riverside traffic to avoid the traffic and have seen first hand traffic not respecting our rural living and have witnessed too many accidents between riders and vehicles speeding through our streets. Why isn't there a plan in place to keep Norco what it is, a small community with its people and community in mind and not just a new opportunity to build more shops, nail salons and big city franchises. We don't need low income housing or new places to ship here. We need safe streets for our citizens to ride their horses, community safety and maintaining the small town feel of Norco like it was meant to be. We want to shop or see bigger stores, go to Corona, Riverside, Eastvale!	9/5/2023 2:20 PM
312	Keep it the same, just improve the road ways and water ways	9/5/2023 2:19 PM
313	Open the hills for equestrians to ride on.	9/5/2023 2:19 PM
314	Horse safe trails No noisy motorcycles	9/5/2023 2:19 PM
315	Rural like, large lots and with no high density housing.	9/5/2023 2:15 PM
316	I would like for norco to still look and feel rural. I think something that would help with that rural appeal, as well as long term cost effectiveness and esthetics would be burying power lines. It would update the look while enhancing a rural atmosphere but also protect residents from potential hazard such as fires when strong winds knock over power lines.	9/5/2023 2:14 PM
317	Stop the traffic from cutting through norco!! Residents only	9/5/2023 2:11 PM
318	Keep Norco a rural community.	9/5/2023 2:10 PM
319	Concerts and rv park at Silverlakes	9/5/2023 2:09 PM
320	Keeping the small town feel and lifestyle.	9/5/2023 2:09 PM
321	A downtown with walkable restaurants	9/5/2023 2:08 PM
322	More community events	9/5/2023 2:07 PM
323	Norco needs more night-life and higher end restaurants.	9/5/2023 2:07 PM
324	No plastic horse trail fencing, natural materials only.	9/5/2023 2:07 PM
325	Roads without potholes. Tree canopies hanging over roadways not so low they damage trucks and trailers that are common equipment on our roads. RV park to support equestrian events and sports park tournaments.	9/5/2023 2:06 PM
326	I'd like to see community promoted more. Norco tries to push a small town feel, but there hasn't been many community events that bring that together. The events are targeting one group. Diversify. Include young adults in planning. They're the future.	9/5/2023 2:05 PM
327	Be the same norco it was in the early 2000's	9/5/2023 2:05 PM
328	Sidewalks and horse trails. Opposite sides? Dangerous walking in streets	9/5/2023 2:04 PM

City of Norco - 2050 General Plan

329	Tree-lined streets/trails to offset increasing seasonal temperatures	9/5/2023 2:04 PM
330	Keep it Rural	9/5/2023 2:03 PM
331	Remain Equestrian oriented	9/5/2023 2:03 PM
332	Continued equestrian life style with animal safety as a priority. Safer streets for horseback riding, equestrian events, a community committed to family oriented events and activities, a strong emphasis on Christian values and community churches. Norco has been an animal keeping and equestrian based community. It cannot accommodate pedestrian and bicyclists safety without affecting the safety of horse back riders. Cars and bicyclists have become a safety hazard to our equestrians and their beloved horses. Speed bumps are needed in order to keep traffic at a safe speed. If Norco is to remain a city that encourages rural living than the emphasis must be on keeping it safe for our families and our animals with less commercial building and restricting additional building on our large lots.	9/5/2023 2:03 PM
333	Staying a small town	9/5/2023 2:01 PM
334	Better streets	9/5/2023 2:01 PM
335	It would be more rustic, I go to Temecula & it seems that should be more the style we should have. Regulations for western style should be more than these prop style roof & store fronts.	9/5/2023 2:01 PM
336	Replace the director of public works with one who is more equestrian friendly. The current director of public works has done nothing to enhance large equestrian facilities here and makes it extremely difficult on businesses. He only cares about the letter of the law and keeping the normal ordinances intact Which would go for some place like the lovely Eastville neighborer. That is heigh density housing... He will not go out on the limb for the equestrian community evenwhen pressedby his constituents in public forum at City Council meetins. Hes not offering solutions to the current problems. He only wants to lay down the law. According to what the current ordinances are. Ordinances need changing, Director of public works needs to bring solutions to the self haul manure problem to city council with suggested changes that he's been pressed to do in public, but still refuses to do, and instead is happy to see the equestrian lifestyle leave this community.	9/5/2023 2:01 PM
337	Norconian Resort Refurbished as a thriving venue. With shops & walkable restaurants, spa etc. New small fishing & sailing lake for kids, families. Prison gone.	9/5/2023 2:00 PM
338	Enforce ordinances such as loud music	9/5/2023 1:59 PM
339	More local police	9/5/2023 1:59 PM
340	Safe places to walk and bike ride around our house with kids	9/5/2023 1:58 PM
341	Bike trails	9/5/2023 1:57 PM
342	Everything animal!	9/5/2023 1:56 PM
343	Expanding school zones to cover second street between hillside and Temescal, adding a traffic signal at second street and Temescal intersection, add speed bumps to prevent people racing on second street. Many kids and families walk to school in the areas where people are driving 45+ mph in a 25 mph zone.	9/5/2023 1:56 PM
344	Leave as is!	9/5/2023 1:56 PM
345	Community gardens on vacant lots for ffa to teach community to grow food n animals- rent out lots	9/5/2023 1:55 PM
346	no apartments, keeping large land for animal keeping	9/5/2023 1:54 PM
347	Again....would like to see a dedicated, scenic, paved, bicycle trail network in Norco. We need other ways to enjoy or beautiful space safely...not just horse trails and paths....	9/5/2023 1:54 PM
348	Keeping horsetown as a rural community	9/5/2023 1:54 PM
349	Safer streets for horses	9/5/2023 1:53 PM
350	Keep it rural!	9/5/2023 1:53 PM
351	Fix roads	9/5/2023 1:53 PM

City of Norco - 2050 General Plan

352	More safety for pedestrians and cyclists by adding more side walks and bike lanes and trails	9/5/2023 1:53 PM
353	Stop building warehouses in the area's	9/5/2023 1:53 PM
354	Silverlakes is not Norco, cut that loose and turn our arena into a real rodeo arena with more seating a possible small concert venue.	9/5/2023 1:53 PM
355	Paved roads, curbs, flood drains, trees.	9/5/2023 1:53 PM
356	A walkable downtown area would be great! Which shopping and restaurants. Temecula-ish	9/5/2023 1:52 PM
357	Maintain large lots and equestrian lifestyle	9/5/2023 1:51 PM
358	Better roads and slower speeds in residential areas.	9/5/2023 1:51 PM
359	Hidden Valley open access area is still accessible by horse trails via the riverbed.	9/5/2023 1:51 PM
360	Many trees have come down in the past ten or so years. These trees have not been replaced by the city and they were city trees. The serene atmosphere of Norco has changed with the addition of hardscape. There are many drought tolerant alternatives to Eucalyptus trees.	9/5/2023 1:51 PM
361	Actually host equestrian events and horse shows at Silverlakes	9/5/2023 1:50 PM
362	Have the Norconian Hotel restored.	9/5/2023 1:50 PM
363	Lake	9/5/2023 1:49 PM
364	No more commercial businesses.. curb & gutter on all streets.. speed bumps through Norco	9/5/2023 1:49 PM
365	Expand planned city development on the west side of the 15 freeway. Ensure adequate local electric power for a growing community of people not only power to support businesses. Expand and add local streets for the city. Work with the state to get more east west surface streets connecting us to Orange county. Encourage businesses, especially trucking companies to use land in strategic areas to help with road infrastructure.	9/5/2023 1:49 PM
366	Keep all trails. Less traffic	9/5/2023 1:47 PM
367	Equestrian area with roads that don't need off-roading ability to drive on it	9/5/2023 1:47 PM
368	Make home/lot improvement and permit process easier and cheaper. And less restrictive.	9/5/2023 1:47 PM
369	Less liquor stores.	9/5/2023 1:47 PM
370	Stop commercial buildings; keep Norco as rural and as "equestrian friendly" as possible.	9/5/2023 1:47 PM
371	Young families flocking to Norco and the large lots	9/5/2023 1:47 PM
372	Re-emphasize the priority of animal keeping.	9/5/2023 1:46 PM
373	Sixth Street being built out to look more like a downtown western. With thriving businesses with an old town look. There are other cities that have done it with other themes. As we do this it must be built around the ability to have horses up and down the street.	9/5/2023 1:46 PM
374	Stop commercial building	9/5/2023 1:45 PM
375	A community that works together and accepts all.	9/5/2023 1:45 PM
376	Access to the 15 Freeway for non-Norco residents that circumvent Norco streets. Well prepared, safe horse trails throughout all of Norco. A community for seniors with low maintenance, pet friendly housing units and an equestrian center to board their horse(s).	9/5/2023 1:45 PM
377	Maybe drive the streets and encourage people to clean their yards and quit picking on people doing beatification to their properties	9/5/2023 1:45 PM
378	Cleaning up 6th St. replacing unused buildings with more unique mom and pop shops, and staying with the Old West architecture. Bring the old Norconian back and close the prison.	9/5/2023 1:45 PM
379	Horses and Recreational Sport	9/5/2023 1:44 PM
380	Updated yet rural community to maintain the unique small town feel	9/5/2023 1:44 PM
381	Larger spaces, boutique stores, another tack store like NRO would be great.	9/5/2023 1:44 PM
382	Silver lakes actually being equestrian	9/5/2023 1:43 PM

City of Norco - 2050 General Plan

383	More agricultural spaces, with community organic garden. How about a farmers market with local produce from local farmers? Not reselling, but giving priority to local farmers	9/5/2023 1:43 PM
384	Improve all streets with drains and repave	9/5/2023 1:43 PM
385	Clean and tidy neighborhoods!	9/5/2023 1:43 PM
386	No more pot holes!	9/5/2023 1:42 PM
387	Businesses that embrace the rural atmosphere. Why can't we redo 6th street to resemble historic Temecula? There are restaurants and shops and they remain busy but still keep the rural appearance	9/5/2023 1:42 PM
388	Clean up some trashy properties and maintain the trails	9/5/2023 1:41 PM
389	Regions best dog parks	9/5/2023 1:41 PM
390	Maintain patriotic feeling of Norco. IE: add Red, White & Blue lane markers throughout city. Not only on 6th St.	9/5/2023 1:41 PM
391	Is no multi apartment system	9/5/2023 1:41 PM
392	Invest in 6th st to entice more visitors and things to do. A example would be Temecula's old town area.	9/5/2023 1:41 PM
393	Close that prison !!!!!!!!!!!!!!! Get rid of Navy and prioritize the lake Norcoian - tourist destination	9/5/2023 1:41 PM
394	Keeping it a rural town	9/5/2023 1:40 PM
395	Senior living in Norco without the upkeep of large acreage.	9/5/2023 1:40 PM
396	Stop time	9/5/2023 1:40 PM
397	I hope Norco keeps maintaining an agriculture and animal friendly city.	9/5/2023 1:40 PM
398	1. Bicycles would not be allowed near horse trails.	9/5/2023 1:40 PM

430	Sidewalks	9/5/2023 8:43 AM
431	Centralized Civic Center with agricultural and animal-keeping atmosphere	9/5/2023 8:26 AM
432	A community pool/water park	9/4/2023 1:26 PM
433	Commercial development that is selectively chosen to make Norco an attractive place to shop and eat without urbanizing or industrializing the city.	9/3/2023 9:37 AM
434	Large scale Norco beautification program. Maintaining current rural values while also developing and ensuring a growth in property values and long term economic and fiscal value	9/2/2023 11:07 AM

437	Make more places animal friendly	8/31/2023 6:39 PM
438	Having public or privately owned spaces where actual crops and agriculture and education on those processes would be really interesting. Partnering with an NGA or non-profit to provide the land soil and seeds to grow food crops and have local educational institutions and City events tour and help in the process would be neat, and the food could be donated or shared with the locals or on a farmers market.	8/31/2023 5:52 PM
439	More apartments. More mixed commercial/residential blocks. Rezone to create less homogeneity.	8/31/2023 5:36 PM

444	My vision for Norco's future includes to have more equestrian staging areas and accessible trails to the Santa Ana riverbed, especially for those who live on the far west part of river road. It would improve the safety of horses and riders from having to cross the busy street, e.g., access to a trail that goes under the River Rd. bridge to get to the west side of river rd., would be a great asset to Norco residents on the far west side. Making Norco more equestrian accessible would make it feel more HorseTown USA!	8/31/2023 7:03 AM

City of Norco - 2050 General Plan

445	We need more horse parking for some of the eateries, so that equestrians can frequent these places on horseback! Enclosed	8/31/2023 12:49 AM
446	Build a 50 meter pool for competitive and other pool activities. We can bring in the community on these very hot days.	8/30/2023 5:21 PM
447	Improve the streets and trails making it more pedestrian friendly while still maintaining horse trails. It's hard to go for a walk in our neighborhood especially for Seniors.	8/30/2023 11:56 AM
448	Creation of zoning ordinances that maintain the rural lifestyle such as establishing a minimum of 1/2 acre lots for single family residences and require a trail easement on one side of every street throughout the City. Also enact ordinances that allow residents to keep a wide variety of animals including dogs, horses, cow, goats, sheep, chickens, etc. All trails throughout the city should be graded a compacted a minimum of once a year.	8/30/2023 11:30 AM
449	Bring back more community activities that are free and held at the Community Center. Bring back Christmas to the Community Center.	8/30/2023 11:11 AM
450	Enough ball fields, equestrian facilities to bring in large soccer and equestrian events. Possibly Olympic quality facility, the go to place for equestrian. Tree lines streets with monthly maintained trails, as well as maintaining the streets. Open up the trail between Eastvale park and Silverlakes, for hiking to bikes to equestrian. Continue or increase community events, as well as supporting the communities around Norco. Encourage beautification of yards, making Norco the place to stay. The work on the streets has long been needed and looking better with each project.	8/30/2023 11:03 AM
451	Have our horse/animal keeping lifestyle intersect smoothly with e-bikes and golf carts. Finding ways to enjoy all things and share the open spaces. Maintain large lot and animal keeping spaces.	8/30/2023 10:29 AM
452	Before we look too far into the future, how about we get all of our roadways in good or better driving condition. Too many roadways are in disrepair causing vehicle damage, flooding concerns and emergency service access issues.	8/30/2023 9:28 AM
453	Stopping the freeway traffic from cutting through to Riverside on residential streets. More traffic control along residential streets	8/30/2023 9:13 AM
454	Building a small soccer stadium at SilverLakes that could be used for a lower division professional or semi-professional men's and/or women's soccer team.	8/30/2023 9:07 AM
455	Increased traffic control and regulation so that the equestrian experience is safer.	8/30/2023 8:46 AM
456	unfortunately the state has other ideas, but an animal life style and a rural life style setting would work	8/30/2023 8:31 AM
457	Development of housing like apartments or condo/townhouses that would include facilities for livestock.	8/30/2023 7:45 AM
458	Absorb Wyley Lab property and use it as open space with trails	8/30/2023 7:30 AM
459	Too many rundown homes not being cared for. Takes away from neighborhoods with otherwise cared for properties.	8/30/2023 6:52 AM
460	Big name concerts	8/30/2023 6:28 AM
461	Bike trail that extends from Hidden Valley to Eastvale. Scenic along the River bed would be awesome. Not on the busy main streets.	8/30/2023 5:44 AM
462	Clean & green: Well maintained trails and city street infrastructure supported by curbs along the street-side of the trail. There should be adequate sewer/rain drainage so as to prevent flooding of streets. The curb serves two purposes: allows for water flow off the streets, while helping hold dirt and DG trail material on the trail. This makes for better trail footing and much cleaner and better looking streets. For a "real-world" example: drive down Trail or Roundup in the bluffs, then drive down the "old town" side of Norco. The streets on the old town side make those neighborhoods look very cheap and shabby. It can be called "old town" without looking old and rundown. GREEN: Norco can help its residents by doing a little investing. There was a bond which brought all homes a line to the sewer and the residents paid back over a number of years. That was great. In today's world of global warming and skyrocketing utility prices, Norco should offer another bond. Solar panels for homes. If the resident already has these, then offer for barns. Norco chooses one to three installers, (City's choice), and the residents pay for the	8/30/2023 1:59 AM

City of Norco - 2050 General Plan

solar panel upgrade the same way they did the sewer: A fee on the water bill. SOLAR PANEL PROGRAM IS OPTIONAL, and not all residents must pay or participate. — Although, the City should be able to broker a nice deal that would incentivize most residents to take advantage of the opportunity. ADDITIONALLY: Given the age of most of the homes, especially in “old town,” there should be a provision that would allow the residents to upgrade: 1) Clean out or replace ventilation system in attic — especially if found to have asbestos. 2. Replace roof (full or partial), as necessary to install solar panels. This is not difficult to structure. The City simply needs to work with contractor who is able to do all three: Roofing, ventilation, and solar panel installation. The contract with the resident would be along the lines of: A) Solar Panels \$xxx B) Ventilation \$xxxx C) Roof replace \$ xxxxx — Then, the resident selects which, if any, or all, they need. Example Repayment of Bond: A) \$25/mo B) \$28/mo C) \$35/mo A + B + C) \$75/mo etc. Norco streets and trails would be clean. Norco residents will be healthier and happier with breathable air, a sturdy roof, and a micro energy bill compared to non-solar. Property values will increase. The repayment of the bond may sound like a lot of money at first. Ah, but then: The residents are reminded that their SCE bill will be \$30, not \$300 in the summer. (Example) Their HVAC units will last longer and run more efficiently with clean/new ventilation. Their homes may be worth more. — And the monthly bond repayment is worth it! Clean, green, healthy Norco. — Who wouldn't want to live here? The key is to meld the “modern day” with the virtues and values on which Norco was founded. It's time to take the “old” out of the east side of town. “Original,” sounds better.

463	Well maintained horse trails and equine friendly businesses throughout town.	8/29/2023 9:44 PM
464	Finding a way to incorporate sidewalks in residential areas for walking purposes.	8/29/2023 8:46 PM
465	Beautiful upscale walking area around the lake Norconian with dining and venue space, retreat center, boutique shopping, no chains.	8/29/2023 8:34 PM
466	Going back to our original trail fencing.	8/29/2023 8:32 PM
467	We would love to see a Trader Joe's come to Norco. There seems to be lots of open space and empty lots available on Hamner and Mountain Avenue that are close to freeway access. Between the population of Eastvale and us, they would be quite busy.	8/29/2023 8:26 PM
468	Parks and Rec team that not only supports youth sports but works with them and doesn't threaten them this includes facilities support	8/29/2023 8:11 PM
469	Stay the same!	8/29/2023 8:09 PM
470	Keep it the way it is. Where everyone knows each other. Love horses and animals. and Norco horsetown USA.	8/29/2023 8:08 PM
471	Welcoming community	8/29/2023 8:05 PM
472	Less focus on animal keeping, more focus on freedom of homeowners to use their land as they see fit.	8/29/2023 8:00 PM
473	I would not want it to look much differently than it does now. It is unique and a throwback to a quieter more pleasant time in life. At least I would like it to continue to look that way and give off that aura.	8/29/2023 7:44 PM
474	Reduce traffic from Riverside	8/29/2023 7:36 PM
475	Keep it a small town	8/28/2023 1:51 PM
476	Greater law enforcement presence to enforce vehicle code/safety. Too many motorists know they can ignore stop signs in Norco. The city is going to get sued out of existence because of this, as well as there will be tragically unnecessary traffic fatalities.	8/28/2023 5:05 AM
477	Need more shopping centers like Norco Village. New infrastructure but keeping the ranch feel. Additionally we want to see a mix of new restaurants, big chain and privately owned. We need a trader joes!	8/23/2023 4:10 PM
478	Upgrade our restaurant offerings to include places like Flemings Steak House, farm to table and craft cocktails. Invite some of these new, innovative restaurateurs to come here like Boscat in Orange or Julep in Brea or The State in Rancho Cucamonga. Allow them to have a speakeasy. The vast majority of restaurants are fast food. Let's make Norco a place families and couples want to stay in to dine.	8/23/2023 6:30 AM
479	Cleaner, less clutter, riding trails throughout the open areas and streets, slower traffic, old	8/22/2023 11:06 AM

City of Norco - 2050 General Plan

buildings restored, no junk in people's yards regardless of size. Trees trimmed back where needed.

480	Keep norco values first and don't let the outside ideas and liberalism conflict with our established core traits the make norco stand out from the rest. No pride, inclusivity and diversity nonsense. That redirects our focus away from traditional American values	8/21/2023 6:37 PM
481	Horse shows at the silver lakes, concerts there that accessible to walk from the city to the venue. Keep the rodeos/parades, clean up some of the neighborhoods, BETTER streets/pavements	8/21/2023 4:35 PM
482	Safer and more respectful community for equestrians and riders.	8/21/2023 5:47 AM
483	Norco's vision should be to stay a small country/equestrian town. Don't allow it to grow into a large city like we already have elsewhere! Keep Norco unique...	8/18/2023 11:46 AM
484	Inclusivity. Being open to different opinions, cultures, views, etc	8/18/2023 9:10 AM
485	More local gathering spots inclusive of families	8/17/2023 6:31 PM
486	Weekly events at Ingalls center, making Norco a hub for Western and other events.	8/17/2023 5:52 PM
487	Still have animal keeping lots and not have all large backyards fill with warehouses, ADUs and cars.	8/17/2023 4:48 PM
488	Better recycling program! I think it's archaic that we're still not able to recycle Styrofoam and plastic bags. These things have been recycled throughout the rest of California for close to 15 years.	8/17/2023 2:34 PM
489	Develop the vacant area on the corner of Hamner and Parkridge	8/17/2023 10:40 AM
490	Storm sewers and curbs and gutters	8/17/2023 9:47 AM
491	Clean up residential yards	8/17/2023 7:22 AM
492	Our roadways are fixed properly	8/16/2023 6:50 PM
493	There are more bicycles in Norco than horses. It would seem to me that the city can work on a safer network of bike trails and connect with the regional system.	8/16/2023 10:35 AM
494	Traffic control	8/16/2023 9:07 AM
495	Maintaining equestrian lifestyle throughout norco	8/16/2023 7:45 AM
496	homes developed behind Remington Estates where the cow pasture is	8/15/2023 8:35 PM
497	I'd like to see the residential areas unchanged, as I drive through the old parts of Norco, it is still the same as it was 45 years ago when I moved here. I'd like to see it keep its old charm and not update just to update. There is a charm in vintage with a V.	8/15/2023 7:45 PM
498	Creating a destination environment. Everything outdoorsy related. Equestrian, off road competition tracks, etc	8/15/2023 12:05 PM
499	Maintain the large (approx. 1/2 acre) lots for new residential neighborhoods.	8/14/2023 4:17 PM
500	Roads that are modern and not falling in major disrepair.	8/14/2023 9:41 AM
501	Limit high density residential areas.	8/13/2023 3:50 PM
502	Better communication of city and community organization events. I received a notice of July events at the park — at the end of July in my water bill. Too late. For far too many events, I don't find out about them until after the event (usually when someone posts photos). Why aren't they being posted to the city's Facebook group.	8/11/2023 11:15 AM
503	Clean up Sixth Street and enhance accessibility to Ingalls park. Revitalize some of the parks in the area to maintain a pleasant neighborhood atmosphere. Figure out LMDs that are going bankrupt or reducing services to keep neighborhood clean and tidy.	8/10/2023 6:35 PM
504	TRAILS AND PARKWAYS MAINTAINED WITH BEAUTIFUL PLANTS AND TREES, SO WHEN OUTSIDE PEOPLE COME TO OUR CITY THEY WILL BE IMPRESSED.	8/9/2023 1:02 PM
505	Pool!!! Bring back the plunge	8/9/2023 8:56 AM

City of Norco - 2050 General Plan

506	rural and safe community. Low density safe place for agricultural/equestrian activities. Not a community with high traffic and congestion. Attempting to minimize using Norco as a 'short cut " around other areas	8/9/2023 7:24 AM
507	Initiatives to draw new residents who are committed to animal-keeping and the equestrian lifestyle to Norco.	8/8/2023 10:06 PM
508	That Norco maintains its unique city environment that of being horsetown USA.	8/8/2023 11:14 AM
509	Fix the residential roads! Before anything else!	8/8/2023 9:43 AM
510	Bring back the BMX park on 5th	8/7/2023 3:49 PM
511	Farmer's Markets and community gardens. Promotion of sustainable agriculture (such as permaculture), native landscapes, power independence, etc. Norco is well positioned to be a home to self contained homesteads. Community workshops on this topic would be great, and in line with Norco's rural image.	8/7/2023 3:31 PM
512	Allow PAKA more flexibility that includes reasonable permanent structures for agricultural purposes	8/7/2023 11:31 AM
513	Sixth Street would look more intentional and thought-out.	8/6/2023 4:59 PM
514	6th would have shops, outdoor dinning along horse and pedestrian walkways. Country ranch landscaping all the way down 6th. Invite public to come shop antiques, have lunch then go home.	8/5/2023 3:48 PM
515	Continued use of open space.	8/3/2023 6:09 PM

521	Large 4th of July/ summer celebration	8/1/2023 8:24 PM
522	Dedicate 6th Street to be more of an Old West Shopping District similar to Old Town Temecula. Restaurants, Boutiques, Dance Halls, even wild west shows. Reaching the western focused visitors that are already visiting the city.	8/1/2023 12:10 PM
523	small city center with variety of restaurants, boutiques etc ... all with western theme. Keep the large lots - more horse events - dog sports - family events ---- no large commercial developments	7/29/2023 9:39 PM
524	More ranches. Jobs that will accommodate disabled who can't stand up a long time	7/28/2023 8:14 PM
525	It would be great if norco had a city trolley that mage the rounds three times a day so local residents could get to shops and parks and other places. There are no sidewalks so walking if your not on a horse is impossible. You have parks and shopping and no way to get out and about for peeps without a car. Even kids can't walk to and from school it's dangerous and hard.	7/28/2023 10:18 AM
526	Well maintained city, everything looks run down	7/27/2023 3:55 PM

City of Norco - 2050 General Plan

532	Trucks and cars go way too fast on sixth street. I have a young horse and people will cut us off, speed by very closely, and big rigs will park on the horse trail where we have to go around though we can't see around them and more cars are coming. We need to lower the speed limit and have more police presence on that street. It's dangerous. I'd love to but would never ride a bike on that street. It's not a good look for Norco for new people coming in. The way people drive does not say horse town. It's like a highway at times and outsiders copy us and drive fast too or they come in driving fast and we give up and say, "well everyone else is speeding I guess I may as well."	7/25/2023 12:57 PM
533	less car dealerships... why so many? use that space for something else	7/25/2023 11:04 AM
534	Local clothing Shopping and small food court	7/25/2023 7:38 AM
535	Keep the rural lifestyle	7/24/2023 8:14 PM
536	the city should take their own advice regarding weed abatement.They ask for citizens to keep their weeds down but the city properties are covered with them. They ask the citizens to conserve water but the city doesn't act on a leak until someone reports it after days of flowing.	7/24/2023 4:55 PM
537	Close Arlington Close Rincon Rd	7/24/2023 3:18 PM
538	Overhaul the permitting and planning review process. The current system is broken	7/24/2023 3:07 PM
539	Roads would be repaired and maintained and safe for cars and cyclists.	7/24/2023 2:53 PM
540	Water park...	7/22/2023 8:54 PM
541	open space	7/20/2023 9:30 AM
542	Stop wasting money on Ingalls	7/12/2023 11:36 PM
543	Horse and animal keeping should be priority. Make it easier to keep animals on our property.	7/12/2023 3:12 PM
544	A high end grocery store with healthy alternatives- Mother's, Whole Foods, Bristol Farms,	7/12/2023 2:29 PM
545	Championship Equestrian venues to attract Regional or World Class Competitions... since Norco is known as the Horsetown USA!	7/10/2023 11:49 PM
546	6th street needs some type of places that People will go to eat and shop	7/10/2023 9:09 PM
547	Being back the focus on animals and horses. That is what makes Norco unique.	7/10/2023 8:15 PM
548	Walkability to shops, restaurants. There is no central town square where you can walk in Norco to enjoy an afternoon out. Other cities have a designated town center with shops, eateries, gardens, fountains for families to enjoy and gather.	7/10/2023 7:39 PM
549	Open spaces and large lots for animal keeping and agricultural. Not a lot of metal buildings	7/10/2023 7:13 AM
550	A welcoming and diverse Norco.	7/5/2023 12:02 PM
551	More local shops and places for families to enjoy	7/5/2023 11:03 AM
552	The city would be better maintained (streets, trails) and would have less car dealerships and hotels and more diverse/small businesses.	7/4/2023 10:16 PM
553	I hope to see a downtown that looks like an old western movie.	7/4/2023 8:15 PM
554	Support diversity in all programs	7/4/2023 8:10 PM
555	It would feel welcoming and friendly to people with different beliefs and values.	7/4/2023 4:28 PM
556	More attention to the state of our existing commercial spaces, requiring owners of run down strip malls to maintain their facilities and have set aesthetic standards for commercial spaces. This would make Norco more appealing to small businesses, restaurants, and attractions as many of these centers have multiple vacancies and appear to be in disrepair.	7/4/2023 3:41 PM
557	Walk, dine and shop on a main st with a gazebo	7/4/2023 12:55 PM
558	Affordable housing, other than that keep Norco traditional, Faith, Family and country roots	7/4/2023 12:33 PM
559	Better parking for community events.	7/4/2023 12:25 PM

City of Norco - 2050 General Plan

561	Coffee shops	7/4/2023 12:24 PM
562	More shade everywhere	7/4/2023 12:19 PM
563	Creating a Horsetown USA downtown experience along 6th St	7/4/2023 7:45 AM
564	Revamp the Norconian. A resort feeling, events, spa, reasons to stay. Events on the lake, restaurants, spa things to do for the locals but not so expensive no one goes or just goes somewhere else local	7/3/2023 9:33 PM

5	There is nothing for the kids to do if they do not ride horses, we need a skate park, maybe a movie theater in the old stater bros. Keep all business on 6th and Hamner not like 2nd street the pool would have been nice to save!	9/24/2023 7:32 PM
6	Review traffic flow as it has gotten worse not better. One idea would be stripe the southbound exit at 6th st two lanes. Everyone uses it as such now but not too safe with exit speeds.	9/24/2023 5:42 PM

15	More animal keeping, big lots, open rural areas!	9/24/2023 8:07 AM
16	Better control of the traffic. Speeding is horrible and unsafe for all our animals. I use to love driving around town and having to stop as peacock, chicken, what ever animal crossed the street. If you drive at 25, the speed limit you can stop and not hit them.	9/24/2023 6:13 AM

25	Better planning as traffic is getting horrible and probably will get worse with the development near 6th and Hamner	9/23/2023 8:11 AM

City of Norco - 2050 General Plan

26	That the investment we have all made in our businesses (care, custody, training) are supported my local economy efforts to keep costs down. Many of us have had a difficult time the last couple of years and those that have continued have done so with a true love for horses and the equestrian lifestyle. To carve out Norco in the middle of everything California isn't easy but it has proven its ability to sustain and grow. What we can't do is to take all the fun out of it because some do not get it, appreciate it, take care of it, or love it enough to devote their time and energy to it.	9/22/2023 9:40 PM
27	Creation of trailer parking areas in areas that support parades and horse community events	9/22/2023 4:15 PM
28	Coordinate groups with the same businesses together together and share ideas. I attended the faith based meeting on 9-21-2023 at City Hall and this idea was discussed.	9/22/2023 2:14 PM
29	A better western feel throughout the city.	9/21/2023 7:44 PM
30	Larger chain restaurants	9/20/2023 2:50 PM
31	Code officer to cite junk collectors who store junk and trash in public view and allow weeds to consume their properties .driving home values down. And creating fire hazards during fire season .	9/20/2023 8:00 AM
32	More opportunities for community involvement	9/19/2023 10:34 AM
33	Clean up areas of Hamner w development of something other than rotating lots of cars and trailers. Breweries, independent original restaurants of quality and creativity. Stater Bros needs to increase its modernity and cater to the diversifying and discerning consumer.	9/18/2023 9:47 AM
34	More community activities	9/18/2023 8:52 AM
35	Make the parking lot at California and Sixth and make it a Tesla Super Charging station.	9/18/2023 7:16 AM
36	Actually having equestrian events at Silverlakes (but believe that train left the station on day one), will believe it when I see it	9/17/2023 9:07 AM
37	Have nice streets with no potholes	9/16/2023 9:36 AM
38	town.	9/16/2023 8:31 AM

160	We would have a true downtown vibe on 6th and or Hamner that would bring in revenue from surrounding cities. Norco has an opportunity to grow and become a destination city within the Inland Empire. We should develop and bring in local and bigger investments to modernize our animal keeping society. Great restaurants. Night life, music venues, retail shops, apartments above retail.	9/5/2023 10:04 PM

180	Maintain our open spaces	9/5/2023 5:26 PM
181	who has money and who doesn't is going to control the flow of what happens there. It kind of reminds me of San Clemente a long time ago. I think doing all you can to help stable , barn owners, horse boarding, trail ride services is going to help keep it an equestrian town. Alta Loma has gone downhill as an equestrian area. Many empty barns and stalls. How do you hold on to the equestrian city? It can't just be houses with stalls. The boarding stables and their contribution brings people from the outside in to spend money and time there. 🗝️ Kind of like tourism!	9/5/2023 5:14 PM
182	Create more open space and parks not less as I have seen happening	9/5/2023 5:12 PM

216	teach deputy dawg on the motorcycle the laws for Golf Carts, go after speeders and those that have no respect for red lights and stop signs, there is no shortage and I think residents would appreciate that more than ticketing, or trying to ticket Golf Carts, that are properly registered. Do you realize a Golf Cart is charged the same fees as a car? They wanted \$321.00 for my \$8,000 golf cart. I even wrote to DMV asking fort a more reasonable fee for Golf Carts like \$49.00 a year as they are driven very seldom. Get rid of the Permanent License Fee on trailers, go back to old way month/year stickers like a car.	9/5/2023 3:14 PM

257	Fixed areas that flood like fourth Street and Temescal avenue. Other areas that flood include 5th street And Hillside where all the water runs down into the lots below flooding us all the way into Temescal. Instead of doing just water and sewer upgrades before paving, consider fixing the level of the pavement before paving. Repaving low lying areas leads to future pavement areas that will fail promptly. There was even a storm drain installed on temascal. Yet it looks like no surveying was done, and the road still ponds on Temescal between fourth and 5th street. The inept Director of Public Works should have caught this before issuing those plans to bid. All American could have fixed this during paving... Had someone been watching, but it appears like no one from the City was watching. Speaking of construction, it would be nice if someone would actually read OSHA. There is a requirement for a certain amount of traffic control, which is often overlooked for a single cone as well as hardhats and class 2 retro reflective safety vest for daytime Time in class 3 at night... Again had the Director of Public works been watching construction instead of looking at antiquiestrian ordinances, he would know and enforce OSHA on our City's contractors so that we don't invite a lawsuit to the City	9/5/2023 2:01 PM

either from a worker who was hit or struck by vehicle without proper PPE, or a vehicular accident for lack of proper traffic control.

258	Over by the Chamber on Hamner, a walkable cute Western themed district with shops, small businesses, eateries, activities. Kind of a Small Town central meeting place. With the movie set style gazebo. Across the street could be a big new museum & other activities for people.	9/5/2023 2:00 PM

275	I love seeing pictures of families enjoying community events such as parades and concerts. More pictures of these events are welcome. Maybe a local tv station would be good to advertise everything Norco has to offer. Even shorts on a YouTube channel would be good.	9/5/2023 1:51 PM

293	Ensure that you encourage business in town! Bring in money making businesses and treat the one you have now well, we need that revenue	9/5/2023 1:41 PM
294	Continue to improve budget to add law enforcement deputies to patrol our city	9/5/2023 1:40 PM
295	2. Law enforcement would keep bicycles from accessing horse trails.	9/5/2023 1:40 PM

297	Keep 6st more boutique stores Bigger name businesses on Hamner	9/5/2023 1:39 PM
298	Fix Valley View between 3rd and 6th	9/5/2023 1:38 PM
299	Keep industry from creeping into neighborhoods. Eisen ranch development is creeping too close. I've been in the area over 45 years, this one should only be accessible from Hamner. We should NEVER see trucks beyond the development on second street	9/5/2023 1:38 PM
300	Bring the PBR to SilverLakes	9/5/2023 1:38 PM
301	Less congested and quieter	9/5/2023 1:38 PM
302	Feeling safe again to walk around the streets	9/5/2023 1:38 PM
303	Allow easier development of ADU, shops, barns, that fit the city. With out the money grab	9/5/2023 1:38 PM
304	Local events No outsiders	9/5/2023 1:37 PM
305	Better traffic control	9/5/2023 1:37 PM
306	Ensuring Norco stays a animal loving community	9/5/2023 1:37 PM
307	Local city/county fair	9/5/2023 1:37 PM
308	Something for kids. There's no sidewalks so riding their bike isn't really safe. Possibly a bike track or public pool like we had before at the community center	9/5/2023 1:36 PM
309	Stop with the big block industrial buildings and make more businesses adopt the "6th street" look. Keep Norco unique other than one street.	9/5/2023 1:36 PM
310	More shopping and perhaps a movie theater or activities for teens	9/5/2023 1:35 PM
311	All horse trails have white vinyl fencing	9/5/2023 1:34 PM
312	Nome	9/5/2023 1:34 PM
313	Better roads that are paved without pot holes.	9/5/2023 8:48 AM
314	More restaurants	9/5/2023 8:43 AM
315	A full-service recreation center (seen in many good size smaller cities). Location for families, kids to hang out. Includes, gym, different types of courts (i.e., soccer, baseball, basketball), event rooms, crafts, etc.	9/5/2023 8:26 AM
316	More unique businesses along Hamner. Set us apart.	9/4/2023 1:26 PM
317	Replacing failing infrastructure such as old pipes and improving water quality.	9/3/2023 9:37 AM
318	None	9/2/2023 11:07 AM
319	More affordable housing! Instead of luxury apartments, build space dedicated to low and middle income people for students (near Norco College) and seniors. Seniors who wish to downsize from houses on large lots shouldn't have to leave behind the city and their friends.	8/31/2023 9:13 PM
320	Would love to see Norco have a fireworks display again for the 4th of July.	8/31/2023 6:41 PM
321	An expansion on adding duplexes, accessory dwelling units and other housing options would help with the reletively high housing prices and offer a first-step for potential homebuyers. It	8/31/2023 5:52 PM

City of Norco - 2050 General Plan

seems like Norco has only really started allowing these recently because they've been forced to, but really embracing it and perhaps supporting residents that subdivide and create more homes would be a good thing. Also allowing for a multi-family complex here and there would help a lot

322	Gathering places for community with games and entertainment and food, like a food hall	8/31/2023 5:10 PM
323	Updated Community center, with specific rooms for youth programs	8/31/2023 4:53 PM
324	No apartments.	8/31/2023 10:23 AM
325	Homesteads are supported and encouraged, even when the state is pushing other ideas.	8/31/2023 10:23 AM
326	Repaving all the streets of Norco would be an amazing improvement! We've lived in Norco for 17 years and the streets have always reminded me of a quilt patchwork gone wrong. There are potholes and uneven roads throughout Norco. Not only would repaving the streets would beautify our city, but it would make for safer driving conditions.	8/31/2023 7:03 AM
327	We must be on the bottom of the priority list for street improvement, I would like to see Corona Ave improve drainage, horse trails and street parking and fix our street. We have neighbors that park in the horse trail daily.	8/30/2023 5:21 PM
328	Keep the businesses out of the neighborhoods.	8/30/2023 11:56 AM
329	Have the City's Parks and Animal Control departments create classes for residents on animal keeping, home farming, and horseback riding.	8/30/2023 11:30 AM
330	Build a community pool.	8/30/2023 11:11 AM
331	As part of trail access, let's get these wooden horse trail fences replaced with the white poly style city wide. The patch work version now looks horrible and is not as safe for drivers, riders and pedestrians.	8/30/2023 9:28 AM
332	Support efforts to close the prison and attempt to restore and re-use any Lake Norconian Club buildings that can be acquired	8/30/2023 9:07 AM
333	Enhancing Ingalls for easier access and egress.	8/30/2023 8:46 AM
334	Larger police presence to deter crime and enforce traffic laws.	8/30/2023 7:45 AM
335	Regular patrol of parks near schools where students hang out after school.	8/30/2023 6:52 AM
336	Dog parks	8/30/2023 6:28 AM
337	Nice planned horse trails through the river bed.	8/30/2023 5:44 AM
338	Now that Norco's looking good and not so run down, (after #1 is accomplished), it's time to re-staff the fire stations with living firefighters and paramedics full time. We also need a stronger police (deputy) presence IN NORCO, not "on call," or "contracted to serve." Of course this takes money. And this is when we need to examine the City budget and see if we can "cut the fat" before we ask the residents for more. This will probably be met with a lot of push-back from council members and others who have worked "for" Norco (really, "at" Norco, is more accurate), for any length of time. Politicians — including those at city government level, were never meant to serve in perpetuity. Times change, populations change, laws change. If there is one or two "old-timers," there'd better be balance with younger, more modern-thinking individuals. None of these civic positions should pay more than a part-time substitute teacher would earn. Too many people want to be a part of city politics and civics because they feel it's an easy paycheck with a comfortable retirement plan. — This is ironic because one cannot take needed funds from a city to feather his own nest, then turn to his constituents and say, "We're doing our best, we just need more money!" So, first: clean the city and its programs. Get rid of dead weight. Redistribute and re-prioritize funding: Public health and safety Residential assistance for Senior and disabled Infrastructure Employee salary and benefits should be last. Create volunteer council person positions. A council person who is volunteering their time can only have the city's best interest in mind.	8/30/2023 1:59 AM
339	Business parks that cater to small businesses (10,000 sq ft size buildings). Retail and light manufacturing instead of mega warehouses.	8/29/2023 9:44 PM
340	More police presence on 6th Street during rush hours.	8/29/2023 8:46 PM
341	Dog and cat shows, western art museum, theatrical events in the park like community musical	8/29/2023 8:34 PM

City of Norco - 2050 General Plan

shows in the summer months

342	Planting more trees to replace the ones that were removed	8/29/2023 8:32 PM
343	We would love for Norco to have a comedy club like the Improv in Irvine and Yorba Linda.	8/29/2023 8:26 PM
344	Community pool and areas kids who don't have horses (or even those with horses) can go and be social and interact not via digital	8/29/2023 8:11 PM
345	Our city is unique. Keep this way of life. Not a sea of concrete.	8/29/2023 8:08 PM
346	Stop the politics from the city council dais - everyone belongs here and we must work with the county and state to make this happen.	8/29/2023 8:05 PM
347	Maintaining roads instead of letting them crumble. Finishing one project before starting another.	8/29/2023 8:00 PM
348	More police officers on the streets	8/29/2023 7:36 PM
349	All of Norco needs an uplift but keeping the ranch feel.	8/23/2023 4:10 PM
350	More community events like an antique swap meet/show, more concerts in the park, car shows, Taste of Norco, regular Maket Night at the fair grounds (see 626 Market Night).	8/23/2023 6:30 AM
351	Limit commercial buildings and avoid putting them in residential areas, keep Norco in an equestrian/outdoor environment, less potholes and street repair	8/22/2023 11:06 AM
352	Addressing the city maintenance for our streets and city facilities	8/21/2023 6:37 PM
353	Continuation of large lots for animal keeping	8/21/2023 5:47 AM
354	More agricultural programs for children	8/17/2023 6:31 PM
355	Make 6th street into a cute, walkable, horseable downtown. Encourage upgrades and adding public gathering space.	8/17/2023 5:52 PM
356	Have diverse shops and restaurants that are actually GOOD and people are drawn to them.	8/17/2023 4:48 PM
357	Keep Norco the way it is. No more building! Just maintain what we've got.	8/17/2023 2:34 PM
358	Need some of the streets like 2nd and Parkridge redone.	8/17/2023 10:40 AM
359	Redevelop dilapidated structures	8/17/2023 9:47 AM
360	The price of water NEEDS to change for the better.	8/17/2023 7:22 AM
361	That are horse trails are kept in good shape	8/16/2023 6:50 PM
362	Redevelopment along 6th St. that emphasizes Norco's uniqueness. Norco really doesn't have a "town center" where you can walk from small shops and restaurants. I am thinking of some cities and towns I have visited that have a town square.	8/16/2023 10:35 AM
363	Demolition and upgrade to empty businesses on Hamner	8/16/2023 7:45 AM
364	an upscale grocery store- Mother's, Bristol Farms, Sprouts	8/15/2023 8:35 PM
365	Have downtown be a destination for tourists. Something like old town Temecula. Restaurants, bands, shops, wine bars or craft beer bars. Speakeasy's or items that attract people to stay and spend longer in our town	8/15/2023 12:05 PM
366	Don't do stupid things like shrink the size of residential lots.	8/14/2023 4:17 PM
367	Keeping Norco as Norco. No increased dense property - Norco is for agricultural and animals and does not need apartments etc.	8/14/2023 9:41 AM
368	Reduce congestion in residential areas around schools	8/13/2023 3:50 PM
369	Some kind of code enforcement to limit the number of construction vehicles parked in backyards. Does being zoned agriculture mean that 2 dump trucks, a backhoe, and five junk cars are allowed? I see far too many yards that have become junkyards and way fewer horses than there used to be.	8/11/2023 11:15 AM
370	Enhance access ramps and bridges across I-15 to keep traffic moving. This is especially important with the new bridge and widen Hamner to meet objectives.	8/10/2023 6:35 PM

City of Norco - 2050 General Plan

371	UNDERGROUNDING OF ALL OVERHEAD UTILITIES.	8/9/2023 1:02 PM
372	Water park	8/9/2023 8:56 AM
373	Low congestion	8/9/2023 7:24 AM
374	Making Norco the destination for the equestrian lifestyle in California. Initiatives that make it an epicenter for equestrian sports and events for those who support Norco's culture but also don't live in Norco itself.	8/8/2023 10:06 PM
375	That Norco maintains the lots as agricultural and prevents the building of additional units, but rather endorsed the building of more equine structures.	8/8/2023 11:14 AM
376	Building a bridge across the Santa Ana river and connecting to Etiwanda Ave. so that there is eastern surface street access across it. We have Hamner Ave. to the west. We need one to the east.	8/8/2023 9:43 AM
377	Stop building more ugly industrial buildings. There is already plenty in the area.	8/7/2023 3:49 PM
378	A community square that can be a hub for restaurants and bars with a few small, independent shops (not just mixed commercial). Something with a more diverse night life - I would love if there were someplace nearby (ideally walkable or a bike/horse ride away) where I could get a good meal and listen to some local live music. Not a large venue, just somewhere small. Somewhere an outdoor covered patio wouldn't be out of place; ideally a series of options with community patio options where events could be held or bands could play. A rural version of the downtown areas of Riverside (near the Mission), Orange, or Fullerton, ideally the areas where the streets are not accessible to vehicles. Minimize chain restaurants and promote small mom & pop businesses.	8/7/2023 3:31 PM
379	Sidewalks on one side of the street, horse trails on the other. I have seen too many small children, mothers with strollers and elderly in wheelchairs or with walkers in the streets because there are no sidewalks	8/7/2023 11:31 AM
380	Incentives for homeowners to improve the appearance of their property.	8/5/2023 3:48 PM
381	Heavily promote the equestrian lifestyle before it goes away like other cities	8/3/2023 3:02 PM
382	6th street similar to old Town temeculas main street	8/2/2023 12:27 PM
383	Repaired streets	8/2/2023 8:50 AM
384	Fruit trees planted at the parks for community To enjoy together	8/1/2023 9:27 PM
385	improved trail system Fewer regulations for home owners improving property	7/29/2023 9:39 PM
386	Bakers burgers restaurants	7/28/2023 8:14 PM
387	Dog park like all neighbor city has. Something easily done and WAY over due!	7/28/2023 10:18 AM
388	Host more rodeos to bring more revenue to the norco business	7/27/2023 3:55 PM
389	Bike lanes	7/27/2023 7:55 AM
390	no more than one house on a lot	7/26/2023 1:36 PM
391	"Animal" parks	7/25/2023 8:46 PM
392	New fire station in the Southeast part of the City	7/25/2023 6:45 PM
393	City maintenance of ALL trails and roads.City maintenance and beautification of common areas and grounds.	7/25/2023 6:09 PM
394	We also have very low hanging wires that make getting a truck and trailer on property difficult if not impossible. We nee need to move these wires underground. It's safer to so yes don't fall into them.	7/25/2023 12:57 PM
395	less track homes. restore old norco and stop building up more.	7/25/2023 11:04 AM
396	Splash pad and dog park	7/25/2023 7:38 AM
397	Get rid of the used car dealerships.	7/24/2023 8:14 PM
398	We need all speed signs to post as 25 mph, all streets included regardless if commercial	7/24/2023 4:55 PM

City of Norco - 2050 General Plan

zoned or not. Too confusing with some at 25 and others at 35 and Hamner is something else. We need more enforcement re speeders.

399	Stop building on what little open spaces we have left!	7/24/2023 3:18 PM
400	Partner with a large developer to turn Norco downtown (6th street) into something bigger and better than Temecula's downtown	7/24/2023 3:07 PM
401	Trees, trees, and more trees. Trees on 6th street (not eucalyptus) but California native trees. More trees in our parks. Trees lining Hamner Street. Better landscaping all along 6th street. Pockets of small gardens throughout the city focused on our main roads to provide shade and respite to encourage residents to walk.	7/24/2023 2:53 PM
402	Water fountains along street for horses	7/22/2023 8:54 PM
403	NO apartment buildings	7/20/2023 9:30 AM
404	Close a park or two	7/12/2023 11:36 PM
405	Plant lots more trees.	7/12/2023 3:12 PM
406	finish all the street construction!	7/12/2023 2:29 PM
407	Updated bridge for 6th street!	7/10/2023 11:49 PM
408	No multi-housing complexes	7/10/2023 8:15 PM
409	A more cohesive aesthetic when it comes to business design. The "warehouse" look up and down the 15 freeway is terrible. The Palomino Project warehouses are awful. Putting a horse rail in front of a building is NOT in keeping with the equestrian theme of Norco. Look to other California cities with a centralized town square for inspiration. Our 6th Street could look so great if effort was made for a cohesive appearance, just a dirt trail for the ever growing fewer horse owners is not an attractive feature of the city.	7/10/2023 7:39 PM
410	keeping commercial in one area and not spread out all over	7/10/2023 7:13 AM
411	Better roads. The roads need improvement	7/5/2023 11:03 AM
412	The city would have a variety of youth friendly activities and areas for the kids who have interests beyond the equestrian world. This could be any combination of a pool, splash pad, skate park, single/double screen reduced price cinema, etc. Poll the schools to let the kids weigh in on what they'd like to see in the town they get to grow up in.	7/4/2023 10:16 PM
413	I also hope to see a trail down every street even the old ones like old Hamner rd.	7/4/2023 8:15 PM
414	Support multi family housing options so elderly and young people have choices to housing	7/4/2023 8:10 PM
415	It would have lively and family friendly gathering places with shops, restaurants, open spaces.	7/4/2023 4:28 PM
416	Stop further warehouse development and keep our open spaces protected	7/4/2023 3:41 PM
417	More events through the year in turn raising money for Norco community, keeping everyone close	7/4/2023 12:33 PM
418	Splash pads	7/4/2023 12:24 PM
419	Capitalizing on our Veterans Memorial by hosting events and activities that honor and even entertain both former and present servicemembers...a destination for them!	7/4/2023 7:45 AM
420	More green space parks , places for Adults to walk and enjoy, not just horses.	7/3/2023 9:33 PM

3	Update parks and trails!	9/24/2023 10:13 PM
4	Keep the small town, hometown feel. Don't build or get mass shopping stores. Support more small and local businesses	9/24/2023 10:00 PM
5	The city should get behind the EAT cultural center, we should promote gardening and animal keeping	9/24/2023 7:32 PM
6	Review zoning to build out all the vacant lots on Hamner and keep businesses on Hamner. I would have put CarMax on the lot that only Citi Bank is on now, move it across the street where Security Pacific Bank was before.	9/24/2023 5:42 PM
7	Making the overpass trails safer.	9/24/2023 5:29 PM
8	Keep our small town, small. Get rid of the tacky plastic fence post like Orange County and go back to the wooden posts of the western era.	9/24/2023 5:24 PM
9	More diversity	9/24/2023 10:47 AM
10	Have orientation programs to all new employees that spell out what does CITY OF Norco stand for and what its heritage is. Most city employees do not live in Norco now, and having a clue of the history and heritage.	9/24/2023 10:20 AM
11	More horses. Less people.	9/24/2023 9:33 AM
12	Stop the woke from killing the Norco way. No bike lanes. This is horse town no a biking park	9/24/2023 9:20 AM
13	Reward equestrians and farms with tax breaks to help keep norco rural. Find ways to make keeping horses more affordable, such as reducing the ridiculously priced manure carts, or having a manure drop location in which the city could benefit financially from.	9/24/2023 8:41 AM
14	Less building! Keep it rural.	9/24/2023 8:07 AM
15	We need better restaurants here. Stop with the hotels, tire shops, car lots. A higher standard of businesses. Its too commercial in some area taking our home and animal areas.	9/24/2023 6:13 AM
16	The prison on 5th street closes and The Norconian is restored as a destination resort.	9/23/2023 9:52 PM
17	Hold actual revenue producing HORSE shows at Silverlakes "Equestrian" facility.	9/23/2023 8:27 PM
18	Build a better animal shelter and find ways to help citizens get food and supplies for their dogs and cats.	9/23/2023 6:45 PM
19	Improve Silverlakes to be the high level equestrian facility that was the idea sold to all of us Norco residents to get our approval of the facility. Where is the day camp to ride our horses on the river trails out of? Where is the upper level horse show facility we were told would exist? We did not approve to be all soccer fields. Citizens were mis-lead big time on this one.	9/23/2023 5:16 PM
20	Clean, open, and upgrade area in Wyle Lab land for safe new parks and trails.	9/23/2023 12:22 PM
21	More walkability, bike trails, connect to the river trails	9/23/2023 8:11 AM
22	Zero tolerance for drugs, crime, and investor only types that do not have a stake in the health and view of our equestrian lifestyle. Kids riding around our streets should feel safe. Maybe community watch hours for our seniors to keep an eye on kids and horses.	9/22/2023 9:40 PM

City of Norco - 2050 General Plan

25	Places to rent	9/20/2023 2:50 PM

30	It would be great to have fishing ponds along the riverbed for people to ride their horse and fish along the trail.	9/18/2023 7:16 AM
31	Better restaurants options to increase tax revenues from commercial businesses and not the home owners	9/17/2023 9:07 AM
32	Keep high density housing out of our town. Once it gets in and the state screws with our town there's no going back.	9/16/2023 8:31 AM
33	Find a solution to all the traffic caused by concerts/events at Silverlakes	9/15/2023 5:19 PM
34	street trees everywhere and a program, like in Riverside, where you can apply and get a free tree for your front yard.	9/15/2023 4:25 PM
35	Less small businesses sprouting with same offerings. We don't need a dozen dental offices, but more diverse offerings	9/15/2023 3:48 PM
36	Curbs added to sides of all roads to clean up the look of the city where the asphalt meets the dirt.	9/15/2023 2:53 PM

54	Co-op or charter school	9/14/2023 10:23 PM

58	Beautify norco by adding Western murals around town	9/14/2023 9:43 PM
59	Continue to be a place known for honoring our first responders, police, and military.	9/14/2023 9:43 PM
60	More support and recognition of our minority population and businesses. They are a growing faction in this city and should be represented and recognized accordingly.	9/14/2023 9:42 PM
61	Clean the curbs, fix asphalt, change trails to modern style	9/14/2023 9:21 PM
62	Up to date and better kept parks that are equally available to all sports that want to use them.	9/14/2023 9:15 PM
63	Having more horse trails and street lights at the trails	9/14/2023 9:04 PM

72	See Idea #1.	9/14/2023 8:17 PM
73	More variety of restaurants	9/14/2023 8:17 PM
74	Never change our city. Its unique and family friendly.	9/14/2023 8:16 PM
75	Keep it clean! There are so many weeds growing wild and they never get taken care of. Just like trashy. Visitors to this city should be welcomed with a clean looking city.	9/14/2023 8:02 PM

77	Continue to support the rural style living	9/14/2023 7:56 PM
78	Fund to help run down houses and junkyards of peoples homes. Horse town HOA	9/14/2023 7:46 PM
79	Keep the rural atmosphere!! Don't change it to the next OC	9/14/2023 7:45 PM

82	No multi unit housing	9/14/2023 7:38 PM
83	One thing other cities have that Norco does not is a campus for a community. Meaning that the community center houses the gym, classrooms, and other recreational actives in one place. With that being said the buildings need a little improvement projects. Every surrounding city in the area has air conditioned gyms and hardwood floors for participants. during the summer months the can get very hot and muggy.	9/14/2023 10:32 AM
84	Social media for recreational activities	9/14/2023 10:15 AM
85	Work very hard to create a less polarized political atmosphere! Lately I've been afraid to admit that I'm a Democrat. Right now, I do not feel safe putting out a lawn sign supporting a Democratic candidate for office!	9/14/2023 9:15 AM

City of Norco - 2050 General Plan

86	Fix City Hall. It's well established that this city works against it's residents to modernize things, fix up their homes or even put in patio covers. 100' setbacks for some, 2' for others. We need about 10 code enforcement agents and they need to be out driving around daily. You should not be able to keep cars, boats and hundreds of animal cages in your front yards for years. YOU know it is true. This is a simple fix!!	9/12/2023 8:48 AM
87	Splash pads for children and families	9/11/2023 7:03 PM
88	No more developments	9/9/2023 7:38 AM
89	Improve our roads and flood drainage. Fill in potholes expeditiously.	9/8/2023 8:05 PM
90	N/A	9/7/2023 9:09 PM
91	Same as#1	9/7/2023 7:43 PM
92	Don't make thi town a city!	9/7/2023 5:15 PM
93	Widening hammer into 3 lanes in each direction,	9/7/2023 1:42 PM
94	Really don't want too much change. That's why I moved here.	9/7/2023 10:52 AM
95	Recall Newsom and Kathryn Aleman. Both are evil.	9/7/2023 9:51 AM
96	Quit spending ridiculous amounts of money we the citizens are taxed for, on things like lavish Christmas decorations. Please ask US what we want OUR money spent on. You are there to do what the majority of the citizens want, not just what the few in the council or paid employees want.	9/6/2023 10:55 PM
97	Farm to Table restaurants. More organic/natural retail and restaurants.	9/6/2023 8:37 PM
98	Incentives for homeowners to improve yards and outside appearance of homes.	9/6/2023 4:54 PM
99	Better streets-some improvements recently, but poor paving adds to poor neighborhood image	9/6/2023 4:20 PM
100	Parking structure for ingals	9/6/2023 3:55 PM
101	Animal and agriculture friendly city	9/6/2023 3:36 PM
102	Keep Norco rural and a small town	9/6/2023 2:19 PM
103	Make it legal for adults to drive all golf carts on city streets except Sixth and Hamner.	9/6/2023 1:31 PM
104	Vinyl horse trail fencing replaced with more sustainable material (wood lasted years as opposed to vinyl lasting months).	9/6/2023 10:59 AM
105	Flooding abatement on east side of town	9/6/2023 9:14 AM
106	help home owners update homes properties	9/6/2023 8:29 AM
107	Stop commercial building that does not comply with HorseTown USA. Bring in more agriculture businesses. Develop trade schools for Farriers, vet techs, horse trainers and other animal handling trades	9/6/2023 8:28 AM
108	Build a Pump track for kids	9/6/2023 8:19 AM
109	Freeway signage to direct travelers to local business ie. gas, food, lodging. Since freeway is below grade as it passes through Norco retail districts drivers do not know what is available off 2nd or 6th street from the 15 fwy.	9/6/2023 8:03 AM
110	Cleaning up junk in yards, properties.	9/6/2023 7:47 AM
111	cleaner streets and horse trails, devoid of garbage, including broken glass	9/6/2023 7:31 AM
112	Clean-up the front of every business and homes. Norco still has unsightly trash.	9/6/2023 7:15 AM
113	Permanent Supportive Housing for Norco's long-term, chronically homeless residents living with mental illness, chronic health, substance abuse, and physical disabilities	9/6/2023 7:14 AM
114	Square curbs to keep DG off streets, our streets look horrible. Horses walk on sand in the sloped curb and asphalt is worse for slipping that stepping off a curb. A horse with 3' legs can easily step off 6" curb.	9/6/2023 6:17 AM

City of Norco - 2050 General Plan

115	6th street and Hamner street building to reflect a western lifestyle.	9/6/2023 12:25 AM
116	Bring a local coffee shop the way Starbucks used to be	9/5/2023 10:11 PM
117	More Open Ride time slots for those that work and go to school.	9/5/2023 10:05 PM
118	Closing the prison facility on 5th street and converting to horse trails and recreational use.	9/5/2023 9:58 PM
119	Exemptions of property taxes for homeowners over 65 (like they do in Texas)	9/5/2023 8:57 PM
120	Diverse living places for seniors and young people but not where it infringes on established residential areas.	9/5/2023 8:47 PM
121	A community that protects and cares for their older Norco residents and young families.	9/5/2023 8:47 PM
122	.	9/5/2023 8:31 PM
123	Alreadyvstated	9/5/2023 8:30 PM
124	The use of Silver Lakes for more equestrian based events rather than soccer and concerts	9/5/2023 8:11 PM
125	Encourage front yard cleanliness especially on main streets like 6th Street by having holiday contests or community events. Many homes are not presentable and 6th Street is an area where parades are held and the road to rodeos etc. This may be the only street outside guests may see and we must show pride in being Norconians. Homes and yards should be kept clean and presentable. Residents may be encouraged by either penalties or incentives	9/5/2023 6:45 PM
126	6th street that attracts people to want to come and enjoy the area from other cities and Silverlakes.	9/5/2023 6:37 PM
127	We do attract a number of off road ppl. Maybe some events geared to that... speedway is an example City of industry holds an event of this sort in their equestrian area	9/5/2023 6:20 PM
128	The city to create its own police department and not rely on riverside sheriff as a contract city.	9/5/2023 6:19 PM
129	Place all utility lines underground	9/5/2023 5:56 PM
130	Eliminate ALL ideas that turn Norco into every city surrounding us. If your residents want to live in a city then tell them to move to Corona, Eastvale, Riverside, Orange, etc..... Stop trying to change Norco.	9/5/2023 5:30 PM
131	Maintain equine	9/5/2023 5:26 PM
132	Who let Carmax in? OMG. Well, there goes a chunk of equestrian life. I guess the taxes were so necessary for survival? It is not pretty. I feel sorry for all the people who live near 2nd street. It kills the small community feel. Having the freeway there is bad enough. 6th street could use a nice hometown excellent coffee house with roaster like Kean Bean in Costa Mesa. It draws people like a  magnet and peeps stay and talk and relax. MOST IMPORTANTLY- QUALITY OF COFFEE AND FOOD. Somewhat like Stell coffee (Redlands) or the coffee Klatch (R.C. and Upland, San Dimas) Sadly, the new place isn't that good as above mentions. Probably more money should go to the animal shelter there to have more employees. They should be the best and available for the loose dogs and chase coyotes out of town.	9/5/2023 5:14 PM
133	Keep the large animal friendly lots. Encourage animal keeping by enlisting more community involemet	9/5/2023 5:12 PM
134	Easier time to get permits.	9/5/2023 5:10 PM
135	Less warehouses where people have to literally move from the homes they have lived in for many years because they look out their front door and its pure concrete like on 2nd and Hamner, very sad. Nobody wants to live like that.	9/5/2023 4:59 PM
136	keep improving fair grounds to attract more horse events. camp ground to people can stay with the animals	9/5/2023 4:59 PM
137	Streets that are smooth and not pockmarked with potholes	9/5/2023 4:42 PM
138	I'd like to see lake Norconion developed.	9/5/2023 4:36 PM
139	I would really like to see where horses and animals don't take all the importance of this town people are also included in that. Therefore there would be some sort of jogging Trail or walking	9/5/2023 4:34 PM

City of Norco - 2050 General Plan

trail for children to be safe elderly to be safe and the disabled to have an opportunity to take strolls throughout the day or night.

140	Try to put together a real Norco Police department! One that operates 24 hours a day not 8 hours 5 days a week.	9/5/2023 4:32 PM
141	Restoration and preservation of the Norconian, open for public use.	9/5/2023 4:29 PM
142	Parade on hamner instead of 6th	9/5/2023 4:24 PM
143	Digital Speed meters on Crestview Hills Area and signs to slow down for Sharp turns	9/5/2023 4:21 PM
144	Better maintained city streets	9/5/2023 4:14 PM
145	Cleaner home lots & landscaping from I15, 2nd street East toward High School. Every visiting schools that come to NHS take this route and it's embarrassing to our community	9/5/2023 4:07 PM
146	More shopping & dining options. Not fast food, nicer restaurants, clothing stores, boutiques, etc	9/5/2023 4:05 PM
147	Farm to table industry thriving in Norco and providing food to local families and businesses.	9/5/2023 4:04 PM
148	Family oriented and community clothes knit	9/5/2023 4:03 PM
149	Pot holes are something we have in Norco. Work on eliminating infrastructure shortfalls and continue to improve the same.	9/5/2023 4:01 PM
150	Regionally known brands along the Hamner corridor that would bring folks from surrounding areas to Norco. (i.e. Porto's, Portillo's, etc.) Destinations that folks will drive to the closest location because they are familiar with the brand.	9/5/2023 3:59 PM
151	Continuing investing and support of local public school and Norco College.	9/5/2023 3:56 PM
152	No WOKE politics.	9/5/2023 3:55 PM
153	We need more restaurants and night bars.	9/5/2023 3:47 PM
154	grant all conditional use permits "with the condition" the property must be returned to its original form prior to closing escrow.	9/5/2023 3:44 PM
155	Volunteers, for helping seniors with their properties	9/5/2023 3:39 PM
156	Would love to see Norconian lake open to the public.	9/5/2023 3:35 PM
157	Curbs	9/5/2023 3:28 PM
158	There is no theme to Hamner Ave. Hamner and Sixth St are what people see when they come to Norco. For the most part, Sixth St has progressed to include what Norco stands for. Hamner looks like junk. Try to reimagine our main drag.	9/5/2023 3:26 PM
159	Less of a boys club feel in the city offices	9/5/2023 3:24 PM
160	Why don't we have a volunteer mounted group to do well checks/ encouragement visits or even care package deliveries for our seniors or special needs children?	9/5/2023 3:14 PM
161	Take a no tolerance approach towards homelessness. Cities all around us are softening on homelessness and paying the price. If tax payers can't build a shed without permits and fee homeless shouldn't build shanty houses with in our borders.	9/5/2023 3:12 PM
162	Fixed roads	9/5/2023 3:09 PM
163	Maintain the number of people allowed in a property	9/5/2023 2:58 PM
164	Create more jobs by attracting major tech companies. Not Amazon warehouses.	9/5/2023 2:48 PM
165	Encourage small businesses!!!	9/5/2023 2:44 PM
166	Rural communities	9/5/2023 2:40 PM

176	Laws against people trying to spook horses while on the trails.	9/5/2023 2:19 PM
177	Keep us all informed abt activities. I think there's enough shopping. I know that's what brings money into town. Just balance it with keeping us a horse town	9/5/2023 2:19 PM
178	Golf cart owners picnics and 4th of July cart parade	9/5/2023 2:11 PM
179	Support small businesses with a variety of shops and restaurants.	9/5/2023 2:10 PM
180	A better partnership with CNUUSD and Norco College	9/5/2023 2:08 PM
181	A large safe location for locals to trade and sell regularly	9/5/2023 2:07 PM
182	See answer under 5	9/5/2023 2:06 PM
183	No thru traffic	9/5/2023 2:05 PM
184	Restricting dangerous "cut through" traffic that endangers residents	9/5/2023 2:04 PM

186	Underground power lines	9/5/2023 2:03 PM
187	Staying a small town	9/5/2023 2:01 PM

200	None	9/5/2023 1:53 PM
201	Build out Norconian hotel, set it up for investors to purchase suites for personal use or sublet timeshare or part of hotel daily operation, I'll take the top floor on the left overlooking the entry /plaza	9/5/2023 1:53 PM
202	More trees along the streets to cool things off more.	9/5/2023 1:52 PM

City of Norco - 2050 General Plan

203	I'm pretty sure Norco does not need anymore Hotels.	9/5/2023 1:51 PM
204	More respect for horses and riders.	9/5/2023 1:51 PM
205	Schools are updated.	9/5/2023 1:51 PM
206	Removing the prison	9/5/2023 1:49 PM
207	All bout horses	9/5/2023 1:47 PM
208	Less homeless ppl	9/5/2023 1:47 PM
209	Norco maintains its western style	9/5/2023 1:47 PM
210	Lots can also be used for active lifestyles. Volleyball courts, outdoor fitness etc	9/5/2023 1:47 PM
211	Continued great law enforcement protection of our safe city	9/5/2023 1:46 PM
212	Keeping the prison because the enemy you know is better than the enemy you don't. The last thing we need is that area to turn into a high density low income housing area that creates more traffic and crime.	9/5/2023 1:46 PM
213	The people of Norco living as one community.	9/5/2023 1:44 PM
214	Large lots for animals	9/5/2023 1:43 PM
215	Keep city safe	9/5/2023 1:43 PM
216	City Council with open minds for property's use.	9/5/2023 1:43 PM
217	Start researching ways to prevent high density housing and low income housing projects within our community. Build a community with apartments for veterans or seniors that give them to opportunity to have a horse boarded there in a community barn. Something like measure world or broodmare community in Orange Park Acres	9/5/2023 1:42 PM
218	And keep the integrity of the city at this point	9/5/2023 1:41 PM
219	More things for the youth to gather and be involved	9/5/2023 1:41 PM
220	3. Golf carts would be allowed like in other cities without fear of ticketing with the exception of under aged drivers, unlicensed drivers, and drivers on trails.	9/5/2023 1:40 PM
221	Fix Valley View between 3rd and 6th	9/5/2023 1:38 PM
222	Stop building hotels!!!!!!	9/5/2023 1:38 PM
223	Bigger lots than 1/2 acre	9/5/2023 1:38 PM
224	More equestrian events going on at ingalls	9/5/2023 1:38 PM
225	Minimize the addition of warehouses, and monitor truck traffic to ensure the pavement index can handle the weight.	9/5/2023 1:38 PM
226	Lights on street	9/5/2023 1:37 PM
227	Having enough law enforcement to patrol streets for problem drivers	9/5/2023 1:37 PM
228	Lower income family dwellings	9/5/2023 1:37 PM
229	Continue to maintain trails and infrastructure. If possible electricity would be underground and not a PowerPoint dead center of my driveway.	9/5/2023 1:36 PM
230	Lower tax rate in norco. Norco has the highest tax rate in the entire surrounding area.	9/5/2023 1:36 PM
231	None	9/5/2023 1:34 PM
232	In need of apartments and townhouses for newer generations but keep the western look.	9/5/2023 8:48 AM
233	more shops	9/5/2023 8:43 AM
234	Bigger space for norco fair or better parking.	9/4/2023 1:26 PM
235	None	9/2/2023 11:07 AM

City of Norco - 2050 General Plan

236	Make the city more walkable as well as safer for cyclists so that people can not only get recreation but leave their cars behind for short errands.	8/31/2023 9:13 PM
237	A small waterpark similar to The Cove in Riverside would be great for families.	8/31/2023 6:41 PM
238	I've heard of programs like "coffee with a cop" where a policeman will meet with a resident of a city who is interested and they'll talk or be interviewed over coffee. A program like that with residents meeting City employees to learn more about what we do and how our work helps the City might be a good idea, as I think there's often a disconnect between what residents think we do and what we actually do. While there would be unpleasant interactions, I think on the whole it would be beneficial to at least add the possibility for residents to meet and understand us better.	8/31/2023 5:52 PM
239	Dress up Hamner Avenue Business' facades to look more professional with landscaping also.	8/31/2023 5:10 PM
240	More sports field	8/31/2023 4:53 PM
241	Small business are encouraged, and chain and big corporations are discouraged from having businesses in norco. Especially on sixth st.	8/31/2023 10:23 AM
242	Stop building commercial buildings on Second St. Instead provide more staging areas and arenas. Also, place equestrian caution signage in several areas to warn commuters passing through our town to slow down.	8/31/2023 7:03 AM
243	How about more restaurants indoor dining type.	8/30/2023 5:21 PM
244	Need to plant street friendly trees on all the streets to combat the heat!	8/30/2023 11:56 AM
245	Remember that there is an increasing population of seniors and realize that not everyone in this age group is familiar or comfortable with social media and continue the use of mailed communications to residents to ensure that everyone receives information on city events, news, and services. Publish an annual City directory of departments and services that is mailed to all residents.	8/30/2023 11:30 AM
246	Create more safe areas and activities for kids/teens.	8/30/2023 11:11 AM
247	N/A	8/30/2023 9:07 AM
248	Build more of an Old Town presence for 6th Street. Nickname it "Main Street" or "Main Street Horse Town." Make it special. Keep the build-out of new commerce to what's planned and underway on 1st-2nd streets.	8/30/2023 8:46 AM
249	Restoration of the Norconian resort area and use of the lake.	8/30/2023 7:45 AM
250	Better maintenance of roads, too many potholes.	8/30/2023 6:52 AM
251	Park like settings similar with what we had at the 4H barn with small building with kitchen sink with hot & cold water and electricity available	8/30/2023 6:28 AM
252	Walking trails through the river bed with parks/ rest areas.	8/30/2023 5:44 AM
253	Tree trimming. Going back to # 1: Clean & Green. All trees along the trail and non-trail sides of the streets should be trimmed regularly. This should not fall to the residents to maintain. It is well known that most of the trees on the east (old) side of town were planted generations ago. You can drive down any street and see one house with no trees, the next house with a small tree in the center of the yard and a telephone pole in the corner of the yard, and the next house has trees and bushes overgrown on fences, the power and telephone lines, fences, etc. This is very unsightly. I'm not saying each yard should look exactly the same, however, the stark differences between tidy and unkempt is unnecessary.	8/30/2023 1:59 AM
254	A world class equestrian center at SilverLakes that includes events like reining, hunters, and dressage - with arena footing comparable to the Del Mar Showpark.	8/29/2023 9:44 PM
255	Community Christmas tree lighting ceremony with choirs. Senior living condos with shared outside space for gardens	8/29/2023 8:34 PM
256	Enhancing our own arenas to bring in larger horse shows so we never have to depend on Silver Lakes.	8/29/2023 8:32 PM
257	We would love for Norco to have a fine arts theater like Segerstrom Center for the Arts in Costa Mesa where Broadway shows come to town and other theater productions.	8/29/2023 8:26 PM

City of Norco - 2050 General Plan

258	Do not allow more business to encroach into house areas (car max) we have 500 car dealers and now 500 freaking warehouses such a waste that land could have been bought by the city and made into parks and riding areas. Our rural lifestyle is slowly dying, but all new construction doesn't even look rural like it's supposed to. ... drive down limonite to Jurupa valley and they look more rural then us I got it we need to keep with the times but at what cost? East vale up limonite puts us to shame.	8/29/2023 8:11 PM
259	Underground Electric lines and open riding trails and hills.	8/29/2023 8:08 PM
260	Districts - we need to have council members who report sent our specific neighborhoods.	8/29/2023 8:05 PM
261	Less homeless	8/29/2023 7:36 PM
262	Affordable housing for young people. This can be on Hammer. There's lots of parcels to put up apartments, co-living, and condo developments.	8/23/2023 6:30 AM
263	Don't raise our property taxes to fix mismanagement of funds by city officials.	8/21/2023 6:37 PM
264	Less class A vehicles on side streets	8/21/2023 5:47 AM
265	Support agricultural programs for youth and families to educate on homesteading, gardening and raising livestock animals.	8/17/2023 5:52 PM
266	Safer streets (from potholes and speeders) and horse trails.	8/17/2023 4:48 PM
267	Keep the horsetown mentality and don't build apartments or condos. Traffic around the area is already bad enough with people driving through Norco on the way to other towns	8/17/2023 10:40 AM
268	Horse trails and sidewalks both throughout city	8/17/2023 7:22 AM
269	That animal keeping is not pushed out like it has been in other counties	8/16/2023 6:50 PM
270	This may not be directly a Norco solution, but something needs to be done to route much of the Eastvale traffic, so that it doesn't impact our city the way it does. This is part of the Circulation Element, but it needs to be addressed.	8/16/2023 10:35 AM
271	Maintenance of city streets especially east of the freeway	8/16/2023 7:45 AM
272	more small stores- boutiques and unique vendors- that reflect the unique rural, equestrian feel of Norco	8/15/2023 8:35 PM
273	Open space like Wylie labs becoming an area tourist would flock to. Jeep rock competitors, off road track, something they could utilize the terrain	8/15/2023 12:05 PM
274	Make sure lot sizes will support at least 2 horses.	8/14/2023 4:17 PM
275	6th street should be western themed since this leads into the community. Hamner should be more of the regular commercial opportunities. Helping drive the business and open spaces to go in line with the community.	8/14/2023 9:41 AM
276	We need a new major venue for equestrian events. You know, something like Silver Lakes but this time actually hosting equestrian events. I have NEVER seen a single horse at Silver Lakes.	8/11/2023 11:15 AM
277	Figure out how to enhance the Norconian Hotel complex to bring in more tourism. Clean up that lake, etc.	8/10/2023 6:35 PM
278	CONTROLLING EXCESSIVLY LOUD VEHICLES.	8/9/2023 1:02 PM
279	Improve the river bed	8/9/2023 8:56 AM
280	City where people can gather especially appreciate being able to use the streets and trails for equestrian activities and other recreational activities while being relatively confident of safety	8/9/2023 7:24 AM
281	Begin to envision Norco more as a city-state unto itself amid Sacramento overreach.	8/8/2023 10:06 PM
282	That Norco does not become overpopulated.	8/8/2023 11:14 AM
283	Streamlining the permitting process that the city has.	8/8/2023 9:43 AM
284	More and/or better kept pedestrian and bike routes. I would like to ride a bike, but feel like I only have the street to do so.	8/7/2023 3:31 PM

City of Norco - 2050 General Plan

285	All commercial business must have western theme.	8/5/2023 3:48 PM
286	Make it easier for small business .	8/3/2023 3:02 PM
287	Monthly rodeo events	8/2/2023 12:27 PM
288	City amenities that we pay for accessible to the residents daily. You lock up ingalles and that is wrong. It's like a private event place now when it should be open daily for all to walk around and use. Make it work ! Use your city employees to patrol and oversee. This city kinda really sucks these days! Just saying.	7/28/2023 10:18 AM
289	Improve the education level of the schools	7/27/2023 3:55 PM
290	Pikes peak park ...add a water feature where it is like a shower spray area over concrete for children to play under & cool off. Where it goes into a drain & there is no safety concerns with standing water & babies.	7/27/2023 7:55 AM
291	Splash pad fun park	7/25/2023 8:46 PM
292	Christmas fairs, seasonal festivals, weekly farmers markets.	7/25/2023 6:09 PM
293	We need to make others feel welcome. I think the city officials are doing a good job of that but some residents are very quick to judge. I have wonderful neighbors but I often see horrible posts on Facebook from Norco residents. I appreciate the city posting on their social media celebrating other holidays and cultures. It's a really big dream, one more for the world than just Norco, but for people to live peacefully with each other despite cultural, political, racial, gender, age, lifestyle differences. Most of us moved here for similar reasons: an equestrian or rural lifestyle, close community of neighbors we can call friends, Cali weather, larger lots, etc.	7/25/2023 12:57 PM
294	bring back 4H!!!!!!!!!!!!	7/25/2023 11:04 AM
295	Bring more shopping and business into norco	7/25/2023 7:38 AM
296	Develop a more appealing 6th street that fits the horse community	7/24/2023 8:14 PM
297	Have all conditional use permits be approved and the owner notified that befor he can sell his house "what went up must come down" first.	7/24/2023 4:55 PM
298	Partner with a race organizer to bring mountain bike races to Norco's hills.	7/24/2023 3:07 PM
299	No more hotels added to our town. Hamner Street has been allowed to look disjointed and lacking in any cohesion. Very aesthetically unattractive. I would offer business owners an incentive to tidy up their store fronts, parking lots, and curb appeal.	7/24/2023 2:53 PM
300	Flying cars would be cool	7/22/2023 8:54 PM
301	rural town	7/20/2023 9:30 AM
302	Make pathway for low income housing easier	7/12/2023 11:36 PM
303	Build the equestrian center at silver lakes.	7/12/2023 3:12 PM
304	Keep homelessness out of our town.	7/10/2023 8:15 PM
305	Code enforcement strengthened for ensuring homeowners are enticed to keep properties clean and weeds cut. Non running junk cars should be kept behind fences (out of view).	7/10/2023 7:39 PM
306	Keeping many of our open spaces open especially the area heading up to the golf course. It is nice to look out and see mountains without a lot of buildings	7/10/2023 7:13 AM
307	More community events such as Christmas tree lighting, more events in the parks, better movies on movie nights and better communication from the City about events	7/5/2023 11:03 AM
308	I hope to see Norco go all out for events and offer horse and carriage rides instead of Ubers or shuttle buses.	7/4/2023 8:15 PM
309	Stop building and supporting ego projects that don't fiscally support themselves	7/4/2023 8:10 PM
310	It would have appeal for out of town visitors.	7/4/2023 4:28 PM
311	Repair and maintain ALL of our roads and continue to expand the network of trails	7/4/2023 3:41 PM
312	It's good as it is	7/4/2023 12:33 PM

City of Norco - 2050 General Plan

313	More trees	7/4/2023 12:19 PM
314	Designing a collaboration between our Horsetown USA lifestyle and enhancing the family - that Norco would be synonymous with building up families in our unique way.	7/4/2023 7:45 AM
315	Change Hamner to more updated hoursetown businesses . Get away from looking rundown sad, storage units, empty hotels, car sales lots and garages. People just drive by all that, go thru Norco to get to Eastvalle. Update business's so even the locals want to stay shop and support local businesses	7/3/2023 9:33 PM

Q8 Are there any additional ideas you'd like to include or elaborate on? Explain below:

Answered: 201 Skipped: 728

#	RESPONSES	DATE
1	No	9/25/2023 4:28 AM
2	Keep Norco rural and animal friendly. Host more family events. Support and encourage small businesses.	9/24/2023 10:00 PM
3	Some things can't be changed like the space available between Hamner to freeway ramps and Sierra no space drivers with no respect for others. Better enforcement of current laws as to speeding and running red lights. Put new deputy dawg at Arco Station instead of harassing registered golf carts. Someone should have told him what a hot button that was before send him out on patrol. Now I see tractors are being encouraged for parades, will they have to be licensed? I know the answer, not within a route established for the parades, my question how do to travel to the event without breaking law?	9/24/2023 5:42 PM
4	Keep all open space... Open. It can be used for parking horse trailers for events. No more buildings and a moratorium on any warehouses.	9/24/2023 10:20 AM
5	Norco doesn't NEED anything. Norco needs more horse friendly folks	9/24/2023 9:33 AM
6	We are Norco, Horse Town USA keep it that way	9/24/2023 9:20 AM
7	Stop over building our town!	9/24/2023 8:07 AM
8	Keeping it western, Equestrian. 6th street needs to be like going down an western town Keeping the building looking western.	9/24/2023 6:13 AM
9	Establish an arts council, and revive the Norco Western Art Show.	9/23/2023 9:52 PM
10	Re-negotiate a more lucrative lease /deal with Silverlakes to get a percentage of each event held and a percent from parking revenues.	9/23/2023 8:27 PM
11	Encourage our citizens to participate in volunteering. I have noticed that when there are little events there are not many people who attend. Better promotion of smaller events would be nice. A chamber of commerce to welcome our new residents would be nice. Announcements of new business coming to the area.	9/23/2023 6:45 PM
12	Improve all the horse trails running behind houses. The city has not maintained these at all in the 23 years I have lived here. They are deplorable and full of gopher holes, bad footing, erosion and weeds. Not to mention all the trails that have been encroached on by homeowners building out their own properties over the years with the city doing nothing to stop the encroachments. Fix it, or do away with these trails and release the land easements back to the property owners.	9/23/2023 5:16 PM
13	Please come up with programs to incentivize property owners to clean up the place. Driving down the 15 and viewing the lots along Hamner does not make one want to exit the freeway to spend money in our town. Likewise, is this keeping the quality restaurants away as they develop in the communities around us? Let's fix the problem and attract higher quality restaurants.	9/23/2023 8:11 AM
14	Thank you for your service and for caring about the city to embark on what we hope is a 25 year rewind into a planned large lot equestrian experience that is better than anything else out there. It has to be affordable however so for those that qualify maybe city assistance with lowering taxes if you meet the guidelines of our Norco and contribute as a trainer or custodian for future owners of our Norco homes that want to share the same lifestyle. With costs for manure and water removal at \$1,100.00 for a working ranch per month it is a massive cost to be a player in the community. The other is the new Homeowner Insurance problem with many leaving the state. We for one struggled to find someone to write a policy finally signing with	9/22/2023 9:40 PM

City of Norco - 2050 General Plan

Great American at a cost 3x what it was prior. If we don't figure that piece out people will struggle to purchase and afford the large lot policy.

15	Nope	9/21/2023 7:44 PM
16	Noise ordinances for animals	9/18/2023 9:47 AM
17	Get lake Norconian open. Get the lake open as a start and rehab and get that stunning showplace back to its former glory. That could rival and surpass the Mission Inn in Riverside	9/16/2023 8:31 AM
18	Another fire station, for our growing population	9/15/2023 5:19 PM
19	the city needs to maintain their street trees. They started out so lovely, but the new Zealand Christmas trees are dying. They never should have planted them. Replace them with crepe myrtles! Whomever decided on these trees was cooockoo. They don't tolerate hot winds...uh...hello, Norco Normal! Also, several of them are falling down, their stakes are broken.	9/15/2023 4:25 PM
20	Improvements to parks. With more activities. It's too hot out here. We need a community pool and water activities	9/15/2023 3:48 PM
21	More family owned restaurants and less food chains, but make the family owned businesses huge so that more people can be in them	9/15/2023 10:16 AM
22	Maintain lifestyle	9/15/2023 9:50 AM
23	N/A	9/15/2023 9:44 AM
24	No	9/15/2023 9:14 AM
25	Keeping parts of the city cleaner, especially on Hamner where there's sometimes a lot of trash.	9/15/2023 9:07 AM
26	hospitality, farm to table, agricultural tourism. Vineyard, winery.	9/15/2023 8:56 AM
27	I would probably get an attorney and city manager, and that would fight like heck to keep Norco Norco	9/15/2023 8:22 AM
28	We need more officers to in force traffic laws.	9/15/2023 8:08 AM
29	Keep Norco simple . We are Horsetown USA	9/15/2023 4:22 AM
30	WHY are we paying for the gas meters upgrade forever. Those meters should have been paid off years ago.	9/15/2023 1:24 AM
31	Business grants to be awarded to small businesses to open store fronts.	9/15/2023 12:27 AM
32	Plant more trees like deodar cedars, pine trees more botanical garden that showcase the beauty of horse town. Planting desert grasses and plants.	9/15/2023 12:10 AM
33	Need to jeep rural and farm friendly	9/15/2023 12:05 AM
34	More events at Ingalls. Incentives to keep animals on properties. Incentives to turn properties to micro farms.	9/14/2023 11:09 PM
35	If the city looks nice properties will appreciate more and the city will get more tax dollars	9/14/2023 10:13 PM
36	Keep Norco norco	9/14/2023 9:43 PM
37	I want to be able to jog on one side of the street on a sidewalk in the morning and keep my shoes clean and ride my horse on the horse trail down the same street in the evening. That is my dream Norco.	9/14/2023 9:42 PM
38	Public water quality to be safe and figuring out how to keep rattle snakes and mountain lions away from norco	9/14/2023 9:04 PM
39	Don't be so strict with golf carts, let kids drive	9/14/2023 8:46 PM
40	Stop building so many duplicate business in this small town and warehouses...	9/14/2023 8:41 PM
41	Allow riverbed access for EVERYONE we can politely TREAD LIGHTLY and all share riverbed access PLEASE ALLOW OPEN ACCESS ON NORCO DRIVE BY WAYNE MAKIN WHERE THEY GO DOWN FOR CONSTRUCTION!!	9/14/2023 8:30 PM

City of Norco - 2050 General Plan

42	More programs at public library	9/14/2023 8:24 PM
43	No.	9/14/2023 8:17 PM
44	Stop patching st n fix second st high traffic speeding vehicles speed bump	9/14/2023 8:17 PM
45	Make permitting easier through the city for building houses on vacant lots of land. The city employees work for us and they make it an extremely difficult and costly process.	9/14/2023 8:16 PM
46	Please keep Norco the way it is. To many cities are changing for the worst.	9/14/2023 8:16 PM
47	Keep industrial developments to a contained area. Do not construct them along Hidden Valley adjacent to the residential communities of the city of corona	9/14/2023 7:59 PM
48	Upgrading community riding arenas. Consult equestrians on footing. More agriculture shows besides fair for 4H kids to show their animals at.	9/14/2023 7:58 PM
49	Don't let them develop Wily Lab. Make that land the Disneyland of horseback riding	9/14/2023 7:46 PM
50	Dont allow multi home dwellings on our large lots!-- Ignore governer Newsoms laws and support 2nd amendment by becoming a 2A safe zone to open carry.	9/14/2023 7:40 PM
51	when looking at the competitors of the city of Norco, other places are paying there part time employees a higher part time rate and also do not have yearly hour cap. This maybe a reason we have trouble keeping good staff at the city. Example a person can work at McDonalds and make more money and with no hour restriction. The city should take a look at increasing the hours per week (currently at 20) for part time staff. It is not worth staying employed at the city for such low pay and low hours.	9/14/2023 10:32 AM
52	Modernize this city so it offers features and amenities comprapable to other cities around us. WE can stay rural with out looking poor and old.	9/12/2023 8:48 AM
53	Focus on inclusive multicultural events in the arenas	9/11/2023 7:03 PM
54	Maintain equestrian lifestyle and protect it by protecting horses and riders from speeders and those with loud illegal mufflers. Have significant consequence for those who violate safety laws. Maybe we need to fund our own community policing/sheriff Dept. We certainly do not have enough sheriffs that care about our community now. I remember when we did...	9/8/2023 8:05 PM
55	Already explained. Thank you.	9/7/2023 9:09 PM
56	Same as #1	9/7/2023 7:43 PM
57	Build structures like an old town like I used to be	9/7/2023 5:15 PM
58	Maintaining balance In order to not overcrowd the city with large business & developments.	9/7/2023 1:42 PM
59	Keep large sheriff presence and maintain a low crime rate. More activities supporting our first responders.	9/7/2023 10:52 AM
60	I'm extremely worried about the homeless in the riverbed causing fires during a Santa Ana wind event. That would take Norco out and kill so many citizens and animals.	9/7/2023 9:51 AM
61	Please send out ideas monthly in water bills or to each home to really see what the citizens, the people who ARE Norco want. Please send out what the budget is & where our money is really going.	9/6/2023 10:55 PM
62	No more Pizza places. No more fast food. Let's get some real restaurants!	9/6/2023 8:37 PM
63	Keep Norco Norco ! No more commercial. Industrial buildings	9/6/2023 5:42 PM
64	Advertise Horsetown USA as a weekend event for people to enjoy the center of 6th st, spend money and increase our tax revenue.	9/6/2023 4:54 PM
65	Ensure home based businesses maintain neighborhood standards. And replace old wooden fences with vinyl in entire city! It looks great!	9/6/2023 4:20 PM
66	No	9/6/2023 3:55 PM
67	Horsetown USA needs to stay like this, stop urbanization and multifamily units. Norco is special place, it is not like any other city, norco needs to stay unique!	9/6/2023 3:36 PM

City of Norco - 2050 General Plan

68	No	9/6/2023 2:19 PM
69	No more apartments.	9/6/2023 11:59 AM
70	No	9/6/2023 9:14 AM
71	More kid friendly options for entertainment	9/6/2023 8:19 AM
72	Create a State or County Regional tournaments at Silverlake Complex to draw in more visitors from outside the region.	9/6/2023 8:03 AM
73	Let the public have access to Lake Norconian	9/6/2023 7:47 AM
74	I'd like if the city adhered to the outlines drawn out for new buildings and construction projects that limit how many stories buildings shall have, despite how much the developers pay or promise to pay. I understand the need for hotels to accommodate the nearby soccer fields and rodeo events, but we're looking a lot like Anaheim near Disneyland these days.	9/6/2023 7:31 AM
75	Incentives to attract and preserve homeowners and renters with horses and other animals. Too many people have moved to Norco who don't even own or care about animals.	9/6/2023 7:14 AM
76	It should not take public works years to replace/repair leaking fire hydrants and the manager shouldn't be rude to the public. The trails between houses need to be addressed and owners held accountable for maintaining them. Norco is so proud of being Horsetown USA but has no concerns in the conditions these horses are kept. The are horses throughout Norco that are subjected to large dogs standing there barking at them all day and we all get the same answer from animal control, "nothing we can do about it" and won't even try talking to owner. Norco needs to create an ordinance regarding constant barking of a dog which is so different than dogs barking at someone walking by etc.	9/6/2023 6:17 AM
77	Uphold the requirement for business building reflex a western lifestyle including hotels unlike the two newest hotels.	9/6/2023 12:25 AM
78	I'd love to see a Porto's bakery	9/5/2023 10:11 PM
79	Consideration of activities and policies to promote healthy lifestyle changes similar to what has been done for Blue Zone communities (check Netflix for current examples0.	9/5/2023 9:05 PM
80	Up to date infrastructure, good roads and clean water and parks.	9/5/2023 8:47 PM

82	.	9/5/2023 8:31 PM
83	Horse town- Military- keep our town old school	9/5/2023 8:30 PM
84	We have rodeos and parades, which are all wonderful. Norco is not known for these events. Facilities are not large enough to accommodate large skill events to draw the people. Silver Lakes was to have been such a site.	9/5/2023 8:11 PM
85	Get a senior discount on Waste Management bill and benefits for dumpster owners, like one free pickup per year. Reduce the scout fee from \$107. It used to be free.	9/5/2023 7:57 PM
86	No	9/5/2023 7:35 PM
87	Your permit department is crooked. Let people build on THEIR LAND!!	9/5/2023 7:15 PM
88	Add more to the small town feeling by allowing golf carts without so many restrictions. Let's put rules for safety purposes but not punish the innocent. Norco was popular for the golf carts around the town and that has decreased significantly	9/5/2023 6:45 PM
89	Never allow lake Norcoinian hotel to be developed into anything other than a museum. Make it similar to Hearst castle. A tourist destination. Not a bar district.	9/5/2023 6:19 PM
90	Yes, STOP trying to please the "city" people. There are cities everywhere but there is only ONE Norco. It doesn't exist anywhere else. You need to remember that.	9/5/2023 5:30 PM
91	The schools in town should have a better plan than nothing when it comes to parents picking up kids blocking half the street. I can't believe they block a whole istreet for 30 min. I feel so sorry for the people who bought houses across from the schools. They had no idea.	9/5/2023 5:14 PM

City of Norco - 2050 General Plan

92	Yes. Keep Norco a single family community. We are not the place for apartments or townhomes. Encourage better business diversity	9/5/2023 5:12 PM
93	Keep the rural lifestyle we all know and love. Add in more restaurants like a nice steakhouse, but no more pizza places, or coffee houses. More "country" type of places. No apartments which bring in riff raff	9/5/2023 4:59 PM
94	Our community is aging out and our school enrollment is dwindling. We need affordable housing.	9/5/2023 4:42 PM
95	I love the idea of putting and drainage systems sidewalks improving the streets and pavement however too much of the trails take up the street and there is no parking and that makes it dangerous. I would like to see maybe one side of the street be a horse trail and the other side used for parking or walking	9/5/2023 4:34 PM
96	parks in our mountain areas and have access for senior citizens	9/5/2023 4:32 PM
97	Maintain both US Navy facility and CA State Prison.	9/5/2023 4:29 PM
98	Petting zoo! And on going some kind of fair grounds!	9/5/2023 4:24 PM
99	I think ,overall city is doing a great job.Love it out here	9/5/2023 4:21 PM
100	I like Norco pretty much the way it is, but fear animal keeping will disappear and backyards will be solid concrete to park motor homes, boats, trailers, etc. I know, age old issue we've been fighting for years.	9/5/2023 4:17 PM
101	Na	9/5/2023 4:03 PM
102	We could use improvements in the quality of healthcare services available in Norco.	9/5/2023 4:01 PM
103	Updated infrastructure and roads.	9/5/2023 3:56 PM
104	Horse trails on all streets. Too many loud mariachi parties all night in Old Town. More Law Enforcement presence for Norco. Prefer City Police Department for better service. Traffic enforcement in Old Town. Streets are used as racetracks.	9/5/2023 3:55 PM
105	To include a business for the ones tourist rent horses with the hotel and have the experience to ride in the city with e horse than a vechile to full fill the Horsetown experience and bring in more residents with western culture.	9/5/2023 3:47 PM
106	Seniors should be allowed to take any exercise class the city offers at no charge to the senior. More senior aid for vet services and pet adoptions.	9/5/2023 3:44 PM
107	Having grown up in Norco, graduating from Norco High and livibg my entire adult like here, I've seen a lot of change, and not necessarily for the better. I feel like the horse community is being squeezed out. Homes that are built are not necessarily "horse properties" and we all know that. ADU's are now being built on 1/2 acre lots, which further limit the save for animal keeping. Quite trying to be Orange County.	9/5/2023 3:26 PM
108	There is so much potential for Norco to preserve and promote our rural lifestyle using the exact activities and animals we wish to maintain.	9/5/2023 3:14 PM
109	Additional patrol or traffic officer. Pro active policing instead of just answering calls:	9/5/2023 3:12 PM

115	Don't let Norco lose it's small country town feeling. No more industrial!	9/5/2023 2:20 PM
116	Govt officials must live in the city and seek approval for any changes by the community they serve	9/5/2023 2:19 PM
117	Loud pipes on cars and bikes are a huge problem in our community.	9/5/2023 2:19 PM

122	See answer #5	9/5/2023 2:06 PM
123	Manure pickup services are exhorbitantly expensive. Could we shop around for a different provider?	9/5/2023 2:04 PM
124	Reintroduce the Community Center and bring back the pool.	9/5/2023 2:03 PM
125	Encourage small businesses that cater to the equestrian lifestyle	9/5/2023 2:03 PM
126	As for dreaming big, I'd love to own a corner lot & fill with several shops including specialty desserts or old time ice cream & so much more but always have a saloon to hold special events for veterans that have discovered healing through painting or crafts (in a museum fashion but saloon style to fully represent Norco). Last but definitely not least, rehab Lake Norconian. If I hit a big lotto, I'd pay to reburish/repair it. That has truly been a dream! I hope that expresses my passion for it, if I hit the lotto I could go anywhere in the world yet I'd be hands on & be a part of reviving it.	9/5/2023 2:01 PM
127	City needs to be more equestrian, friendly or the people that are here that really want horses will leave. It's happening already open your eyes.	9/5/2023 2:01 PM
128	A childs splash pad type park. Stocked accessible fishing lake like Anaheim. Huntington Beach has a kids adventure park, run by the City. That would fit great here.	9/5/2023 2:00 PM
129	As above enforce loud music ordinance it is out if hand and chasing people out of Norco	9/5/2023 1:59 PM
130	Maintain a sense of independence irrelevant of the state government that hates our kids by pushing gay/trans agenda in our local schools. Clean house. Get rid of progressive "leaders" and teachers in our city or the little freedom we still have will not carry over to the next generation.	9/5/2023 1:59 PM
131	More senior services	9/5/2023 1:57 PM
132	Installing cameras to oversee community mail boxes due to repeated theft and NO investigations done.	9/5/2023 1:56 PM

138	City to provide fast and easier building permits all properties are different	9/5/2023 1:43 PM
139	Fix Valley View between 3rd and 6th	9/5/2023 1:38 PM
140	Possibly look into WIMS around the new warehouses to ensure trucks are not overladen. If unknow, WIM stands for Weigh in Motion.	9/5/2023 1:38 PM
141	No	9/5/2023 1:37 PM
142	Get the encampments out of the riverbed... this seems to be our biggest danger for wildfires	9/5/2023 1:37 PM

City of Norco - 2050 General Plan

147	None	9/2/2023 11:07 AM
148	Continue the bike lane so that families are able to ride safely through the city. Also, would like to see more senior housing.	8/31/2023 6:41 PM
149	More collaboration for Community Gardens and education	8/31/2023 5:10 PM
150	Message to public works department: Please keep Norco rural but beautiful! Keep our horse trails well-maintained and the weeds down. Place equestrian safety signs on busy streets for commuters to slow down and repave ALL the streets! Last but not least, please help conserve water and fix all the recurring underground water leaks, too.	8/31/2023 7:03 AM
151	Replace our aging water mains, we know the type damage they do to homes	8/30/2023 5:21 PM
152	I would like to see the City enforce existing ordinances regarding the riding of motorized vehicles including golf carts, electric bikes and scooters on established horse trails. Some of the Measure R trail funds should be allocated to the installation of signs prohibiting this activity throughout the city and the Sheriff should enforce the ordinance. I have seen instances where a rider was almost thrown of their horse by teenagers speeding past a horse and rider on the trails.	8/30/2023 11:30 AM
153	Norco is unique. It is special. I don't think we are doing enough to make it look and feel that way. I suggest forming focus groups to follow this survey and obtain qualitative feedback that will provide richer more meaningful answers. Everyone has an opinion, but there's also a lot of knowledge and experience we can share.	8/30/2023 8:46 AM
154	Fair sharing of Measure R funds to provide new vinyl trail fencing to the whole city including all LMD housing tracts.	8/30/2023 7:45 AM
155	Let up on the licensing and insurance requirements at local events so individuals don't have such a hard time with it. What the city did to those that could not participate at the Craft Fair this past May was terrible.	8/30/2023 6:28 AM
156	Make Norco a beautiful outdoor enthusiast haven with hiking, biking, walking and riding trails through out the river bed and surrounding hills. Attract businesses that support this lifestyle.	8/30/2023 5:44 AM
157	Credit for high schoolers (11th and 12th grade), who plan on attending college. The creation of the NHSCV: Norco High School Community Volunteer This would be an elective juniors and seniors could select (with parental approval), if they meet the requirements. These Community Volunteers would sign up to volunteer to help the aged and disabled in the community. Example: • Lawn mowing • Stall cleaning • Dog walking • Horse bathing • Horse grooming • Take trash cans to the street Sunday evenings The teen would be screened to make sure they are familiar with procedures and capable of performing the duty he/she chooses. They bring a time sheet to the home. The homeowner completes time of arrival and departure. The teen builds volunteer hours for college applications.	8/30/2023 1:59 AM
158	Please upgrade Valley View Ave. between 3rd St and 5th before 2050.	8/29/2023 9:44 PM
159	Tighten up the rules on building additional dwellings in what is supposed to be animal and yard space. No backyard rentals	8/29/2023 8:34 PM
160	Keeping the Democrats out of our City Council or any offices of power.	8/29/2023 8:32 PM
161	Y'all missed the boat big time yoj built all these new warehouses but did ANY of you go approach the Disney ranch and offer incentives to bring more Disney stuff out here in those warehouses this could have become their warehouse hub instead of Ontario do you know how much labor and increased revenue you could have brought in they currently rent warehouses all over anaheim to house their crap yet you build tons of warehouses and loose out on a basic infinitive source of income there are pictures of the Walt Disney crew at the Norcoian after Snow White we have their ranch. Look at Anaheim they make a fortune off of Disney even if we just had employees working here you could get more people living here. Speaking about lake norconian what's going on restoring that why isn't that high on your priority list preserve or heritage I understand the navy has control of it but work some magic. CRC norco is supposed to close soon what's going on with that? Seems like good land to extend Wayne Makin park	8/29/2023 8:11 PM
162	continue growing Agriculture learning and Animal 4H programs.	8/29/2023 8:08 PM
163	We need to elect our Mayor - the good old boy network needs to stop.	8/29/2023 8:05 PM
164	Cleanup / remove old vacant houses	8/29/2023 7:36 PM

City of Norco - 2050 General Plan

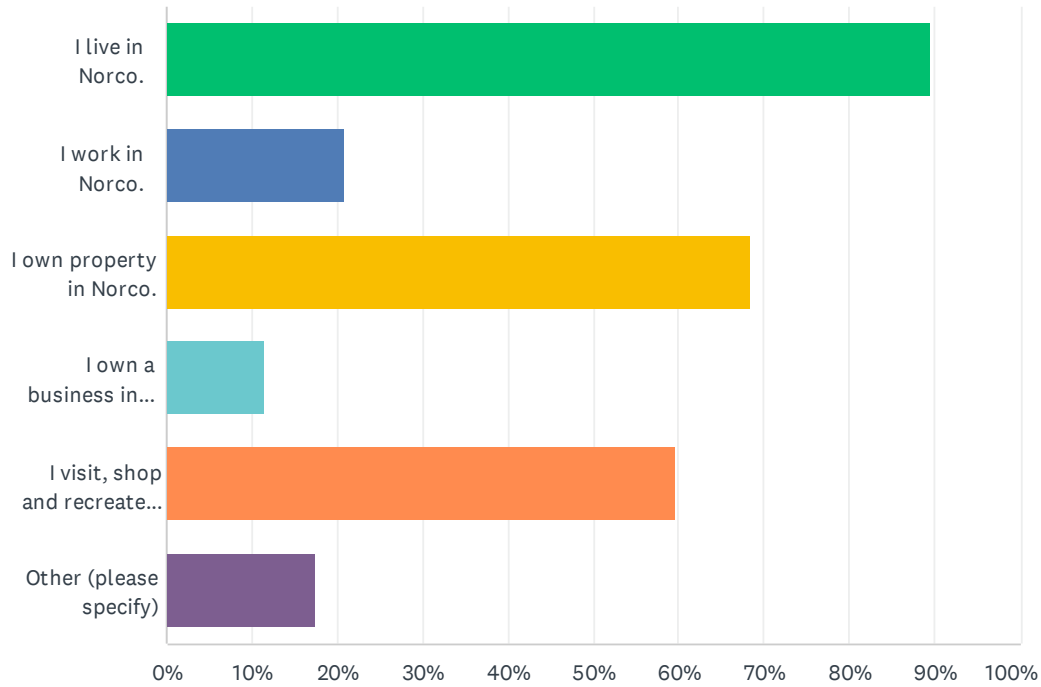

165	Get us a Home Depot.	8/23/2023 6:30 AM
166	Until Norco cleans up the clutter, it will always be Norco. Restore old buildings, parking lots, and streets. Make people responsible and have pride in where they live and warn and fine those that keep their yards an eye sore.	8/22/2023 11:06 AM
167	Your ideas take on less work than my fears of losing the norco life. Really afraid that the left ideas will be brought in by outside city members and residents. Let's keep our American love for our city	8/21/2023 6:37 PM
168	We are leaving Norco because it has really become a city of having to be in a click. The city officials in planning are extremely rude and un informed. City officials only care if they if they can personally capitalize off the situation or if it's one of their friends. Norco needs to learn to allow homeowners to work with their residents and not act like it's one of the cities own properties.	8/19/2023 1:02 PM
169	Add additional Metrolink train service to Orange County to increase Norconian's access to the coastal cities on weekends.	8/17/2023 5:52 PM
170	Not pushing people out of their homes so big warehouses can be built.	8/16/2023 6:50 PM
171	It is clear that the state is going to push for more higher density housing. Some thought should be given to ways of involving those residents in the Norco lifestyle, such as community gardens, community stables, etc.	8/16/2023 10:35 AM
172	Finer dining establishments that are geared towards family dining	8/16/2023 7:45 AM
173	No	8/15/2023 6:30 PM
174	City should offer opportunities to connect more neighbors.	8/14/2023 9:41 AM
175	JUST MAKING OUR TOWN LOOK IMPRESSIVE.	8/9/2023 1:02 PM
176	Clear the homeless out of the riverbed it's a fire hazard and families don't feel safe in the riverbed	8/9/2023 8:56 AM
177	No Would like to see low crime, no graffiti, fewer traffic violations such as speeding, running through fences and not stopping for stop signs	8/9/2023 7:24 AM
178	That Norco is one unique community where neighbors are bonded through their love for their horses and other animals.	8/8/2023 11:14 AM
179	I moved to Norco when I was 10. Before moving to Norco, my bike was my freedom - there were days I rode my bike all day. Once I moved to Norco, I basically had to give up biking altogether - I couldn't ride on the horse trail, and Fifth Street was just too busy for it to be safe. There are a lot of streets in Norco on which I don't feel comfortable letting my son ride his bike. It can be very limiting. It often feels like we have to drive anywhere we want to go. I love seeing all the horses here, but we don't have one (and couldn't as we are in the only Residential area) - please make walking and biking more viable in this city!	8/7/2023 3:31 PM
180	Would like to see City transition to paperless utility billing like everywhere else. We do not need a paper copy or return envelope. It would save the City a lot of money.	8/7/2023 11:31 AM
181	6th could be an antique shopping destination with beautiful landscaping, carriage rides, etc. A place where out of towners would want to come. NOT A THROUGH FAIR FOR COMMUTORS GOING TO RIVERSIDE.	8/5/2023 3:48 PM
182	No	8/3/2023 3:02 PM
183	overall - love Norco === would not want to live anywhere else --- lets keep Norco - Norco :)	7/29/2023 9:39 PM
184	Run the city like the amazing place it is and take care of it like a real city does	7/27/2023 3:55 PM
185	Since we have the soccer park, Hamner should have an area for kids of all ages to relax and enjoy. Maybe learn about gardening in the neighborhood garden.	7/25/2023 8:46 PM
186	Safety in our neighborhoods and respect, trust and pride for our law enforcement community.	7/25/2023 6:09 PM
187	Thanks for allowing us to complete this survey and express our opinions. I appreciate that the city of Norco seems to really embrace what it's residents have to say. I really enjoy living here.	7/25/2023 12:57 PM

City of Norco - 2050 General Plan

188	Repair the streets, you repair that aren't so bad, but the really bad streets are ignored. Keep the homeless out, I don't want to hear it's not a crime to be homeless. The have numerous resources they can utilize.	7/24/2023 8:14 PM
189	No	7/24/2023 5:37 PM
190	All school classrooms be fitted with cameras so that the parents can view at any time their childs actions and what is being taught.	7/24/2023 4:55 PM
191	City officials would work closer to neighboring cities to invite residents outside of Norco to visit, shop, and participate in Norco events. Leading to goodwill and fostering a larger community that feels invested in Norco.	7/24/2023 2:53 PM
192	Just keep doing what yer doing	7/22/2023 8:54 PM
193	STOP Building comercial buildings in our small town	7/20/2023 9:30 AM
194	We want districts for representation	7/12/2023 11:36 PM
195	Don't try to make Norco another orange county. Keep us country!	7/12/2023 3:12 PM
196	The city needs to actively solicit new businesses to Norco (not the type that are warehouses).	7/10/2023 7:39 PM
197	Keep the area low density. Apartments and townhouses to increase density is not in my vision. These types of units, if introduced , need spaces available for ag and animal keeping	7/10/2023 7:13 AM
198	Increase public safety	7/4/2023 8:10 PM
199	Stop allowing new warehouses. Increase the funding for community programs and events. Fix our roads.	7/4/2023 3:41 PM
200	More social media exposure to what Norco has to offer	7/4/2023 12:33 PM

49	Moved here 40 yrs ago and have had horses, cows, pigs, chickens, turkeys, dogs & cats. Shocked to find my neighbor can turn a stallion loose in his back yard without being in stall because an ad hoc committee over 45 yrs ago could not agree on what materials were acceptable for building a stall. Horsetown USA is the only city I am aware of that does not require a stallion to be in a metal paneled stall. Insane.	9/6/2023 6:33 AM

1	Please keep Norco rural, dont let it become like OC.	9/25/2023 4:30 AM
2	Norco is a beautiful place to live and we need to keep it this way, there are not many places in Southern California like Norco	9/24/2023 7:35 PM
3	Nope, hopefully a Thank You for reading my rants.	9/24/2023 5:43 PM
4	I'm very concerned about the ADU buildings infringing on the animal keeping areas of Norco properties. Years ago we were preventing from building a shop on our property even though our plans left plenty of room for horses/animals. Now it doesn't seem to matter. My neighbor has built so many buildings for his business and family that there is no room for animals. I suspect most of these buildings are not permitted.	9/24/2023 5:37 PM
5	Plastic fences suck, use wood	9/24/2023 5:34 PM
6	We need to stop developing everything. Norco is vanishing.	9/24/2023 1:58 PM
7	I question the previous question... Why do you need to know what race anyone is don't we all matter equally?	9/24/2023 10:21 AM
8	If it ain't broke, don't fix it!	9/24/2023 9:34 AM
9	I wish norco could go back to the way it was 20 years ago. I know I won't be around to see 2050. But hope it stays a great horse community.	9/24/2023 9:22 AM
10	Keep Norco, Norco	9/24/2023 9:22 AM
11	In the 17 years I've lived here, norco has definitely become less safe for equestrians. The amount of traffic cutting through, unruly dirt bike riders, mentally unstable homeless, and crime has increased making it difficult to safely ride around town, and or allow kids to do the same. The focus has seemed to shift from small town development and protection of equestrians to creating a huge city and pushing the horses and families out. I'd love to see that change and encourage opportunities for equestrians and families again.	9/24/2023 8:47 AM
12	Keep Norco Rural! Stop with the insane building and over crowding of our small town!	9/24/2023 8:08 AM
13	E-bikes are quickly becoming a public nuisance. Co-ordinate with the sheriff to enforce the laws regarding speed, use, and age of the operators.	9/23/2023 9:54 PM
14	I moved here with my children for the Norco charm...for our horses, space, and small town charm. Sadly I see it diminishing more each year with the choices being made.	9/23/2023 8:47 PM
15	The UNIQUE city of Norco must not get swallowed up by the rapid urban sprawl, or sold out by greedy officials now & in the future.	9/23/2023 8:32 PM
16	Better pay for staff.	9/23/2023 6:47 PM
17	I love the Norco lifestyle , I LOVE NORCO !	9/23/2023 2:45 PM
18	While Norco should remain Norco that doesn't mean it should not appeal to new home buyers that have equestrian roots. Combatting California and the far left is a problem as much as the unsightly homes that are in need of repair and some love. Those who do not may be incapable and need maybe a task force type of "Remaking Norco" approach where a team can assist the elderly or those ill or compromised with general cleanup. It could be the other folks not investing in Norco and using our privacy for their own foul play. Those could be weeded out and cited. A job board that the city approved those on to be hired by Norco for Norco would be a good suggestion as well or a city offering so the city could benefit while ensuring compliance to Norco's 25 year plan. I am 60 and would be interested as I approach retirement age in serving the city if a position to do so opened up. We bought our home for our daughter to live her dream so Norco's dream and ours are certainly aligned. I see the miracle of Norco in these	9/22/2023 9:55 PM

young people daily as they grow up on our small 2 acre lot free from city sights and interference a small get away for their young minds so peppered by social media. Kids being kids key to the 25 year plan.

19	Maintaining the existing horse trails, creating additional access to cross the 15 fwy, augment existing 'open space' to be usable by equestrian / ag groups. The commerce corridor of Hammner does not need to be made horse friendly so much as horse trailer friendly. Extra wide lanes and parking availability in those businesses. Small facilities (like Pepperglen on Pedley) where small clubs could hold schooling shows and events are becoming fewer, how to make more of those available / or a forum where small ranches/farms could advertise use of their facilities (one day events)	9/22/2023 4:24 PM
20	Nope.	9/21/2023 7:45 PM
21	More police presence. People run stop signs all throughout the town. Please keep it rural. Maintain the new tree growth on trails. Clean up trail area near top easternmost part of 4th st area. Allow for more non-chain/non-franchise development	9/18/2023 9:50 AM
22	Just a thanks for in loving us citizens in the process!	9/17/2023 9:08 AM
23	No.	9/16/2023 10:11 AM
24	it would be really nice to have more sheriffs available for us to rely on. Hillside, since they fixed it up so nicely, now unfortunately has speeders down the beautiful street.	9/15/2023 4:26 PM
25	Rebuild out of date infrastructure along the river road that has abandoned Shops.	9/15/2023 3:51 PM
26	I just want Norco to have less traffic, like 25 years ago. Keep it rural.	9/15/2023 2:08 PM
27	We have lived in Norco for 48 years and have seen many changes and not for the good. We got away from the horses and the western theme and went to auto dealerships and that ruined hamner ave.	9/15/2023 1:03 PM

31	No	9/15/2023 9:16 AM
32	I moved here from Chicago and love it! Except for the school traffic on my street.	9/15/2023 9:09 AM
33	I love Norco. Hopefully, the city can address the homeless and crime problem.	9/15/2023 9:07 AM
34	Keep open spaces as much as possible. Designate Wyle property as a riding and recreational area.	9/15/2023 9:01 AM
35	We need to stop rezoning. Car Max was a mistake in a residential area. The commercial district in the egg ranch is too large in scale for surrounding residential. The white plastic trail fencing is not holding up and is an eye sore. It is not sustainable.	9/15/2023 9:00 AM
36	Dirt bikes and are a HUGE SAFETY problem! And building additional homes on the BACK OR SIDE of properties as well so people no longer have horse PROPERTY!!!!	9/15/2023 7:01 AM
37	Keep Norco Conservative and large land spaces for housing to keep the horsetown and small farm way of life alive.	9/15/2023 12:13 AM
38	Please keep norco rural and horse town USA . No big businesses and no commercial	9/15/2023 12:06 AM
39	I wish we could have more sheriff and I would like to see more tickets written for how crazy and fast people drive through 6th st and California as they cut through Norco go to/from Riverside. I almost wish we could just close North down by the cemetery to stop the traffic. It's a huge safety concern	9/14/2023 11:14 PM
40	We need more horse trail support	9/14/2023 10:41 PM
41	We moved here at the beginning of 2023 seeking small town living, but didn't want to be too far from family. This was our dream location and we can finally have the lifestyle we have already desired for our family and raising kids. Please keep the wholesome way of living a top priority. Protect the gem that is Norco.	9/14/2023 10:26 PM

City of Norco - 2050 General Plan

42	Please institute district voting - so that we have council people who live in our neighborhoods.	9/14/2023 10:22 PM
43	Please take care of the city it's run down	9/14/2023 10:14 PM
44	I like the traditional values of our community and that there is still space for differences to be accepted without pushing out conservative principles.	9/14/2023 9:48 PM
45	I have jobs in Los Angeles, Riverside, San Bernardino, and Orange Counties and the opinion of Norco outside of this city needs a major overhaul. I love this city and want the best future possible for my kids and grandkids.	9/14/2023 9:46 PM
46	Keep Norco norco	9/14/2023 9:44 PM
47	It would be nice to see norco continue to improve the city. People think that because things aren't as ghetto/broken/sloppy/ Sanford and son, it's not as rural... we can be rural and still have a beautiful town with curbs, sidewalks, horse trails etc.	9/14/2023 9:08 PM
48	N/a	9/14/2023 9:06 PM
49	Just very disappointed on how this city is running	9/14/2023 8:58 PM
50	We moved to Norco from Orange county to get away from the hustle and bustle. We love the calm and family unity this community brings. I would hate for the culture to change.	9/14/2023 8:54 PM
51	No apartment living	9/14/2023 8:47 PM
52	Don't be so strict with golf carts let kids drive, let people do barrels during open riding at ingalls	9/14/2023 8:47 PM
53	Kevin bash said in a Facebook post Norco was bankrupt...hmmm why is that?	9/14/2023 8:46 PM
54	I feel like the public transportation should be expanded a bit and should go near more school in order for students to have a safe way going home instead of walking	9/14/2023 8:35 PM
55	Allow riverbed access for EVERYONE motorists golfcarters and bikes can politely TREAD LIGHTLY and all share riverbed access PLEASE ALLOW OPEN ACCESS ON NORCO DRIVE BY WAYNE MAKIN WHERE THEY GO DOWN FOR CONSTRUCTION!!	9/14/2023 8:33 PM
56	Want to keep the roads safe for horse riders	9/14/2023 8:27 PM
57	More housing less warehouses!!!! Stop building them around housing!!!!	9/14/2023 8:21 PM
58	Keep Norco as Horsetown USA	9/14/2023 8:20 PM
59	No	9/14/2023 8:18 PM
60	Coordinate with adjacent cities	9/14/2023 8:09 PM
61	Fix Hillside's street! Add more light posts!	9/14/2023 8:07 PM
62	Please take care of the signal maintenance	9/14/2023 8:02 PM
63	Better kids community sports.	9/14/2023 8:00 PM
64	I love this city	9/14/2023 7:59 PM
65	My mother had a vision for Norco and I want to keep it alive. She devoted many years on council and mayor. I would do anything to keep her legacy of the town she loved so much	9/14/2023 7:50 PM
66	limit the city's future growth to only include plans that nurture the core of our traditional way of life, no progressive, don't teach our kids progressive curriculum	9/14/2023 7:42 PM
67	Please keep large businesses and new housing to a minimum. I live here for this lifestyle. I don't want Norco to turn in to what Mira Loma used to be.	9/14/2023 7:41 PM
68	The city of Norco is stuck in the old ways of doing things. It is good to have an identity of "horsetown usa" but other things need to be modern. Other cities in the area have more things to offer than Norco. For example Norco's website is not user friendly. Searching for job opportunities on the site is difficult and hard to find. Also the listings do not stay up even though positions are still evaluable. A lot of people wants what is best for the but the ideas of the people fall on deaf ears.	9/14/2023 10:44 AM
69	Let's make sure there are ordinances/laws that prevent offensive signs, such as the one on	9/14/2023 9:23 AM

California near 6th that said, "F**k Biden", or the flying of confederate flags. I believe in freedom of speech, but not in using profanity or racist symbols to express your opinion.

70	Enforce speed laws and equestrian and pedestrian right-away. Supposedly, we have a new motorcycle cop, but I've NEVER seen him! When I first moved to Norco over 20 years ago, we had a very visible and effective motorcycle sheriff and everyone knew him. Also, the sheriffs stationed at the schools were much more visible and effective. I think they were part of the DARE program, but they were a daily presence on campuses and they made a difference. Now, the sheriff's assigned to campuses, hide in their offices and are unknown and unrecognized by both staff and students. It feels like Norco has been abandoned by the Riverside Co. Sheriff, but perhaps Norco gov. has reduced the services of our much needed sheriff...	9/8/2023 8:47 PM

74	What does race have to do with this.	9/7/2023 5:23 PM
75	My family moved here for the community and small town feel. We love the events hosted throughout the year. Please continue to make an effort to keep that tight not community.	9/7/2023 1:44 PM
76	Let's keep the unique lifestyle of Norco.	9/7/2023 12:13 PM
77	May this special place last as long as possible	9/7/2023 9:52 AM
78	Asking racial ethnicity & where in Norco we reside are not questions you should be asking. Norco is Norco & those questions should not matter & are are improper & biased.	9/6/2023 11:01 PM
79	City council, city director, city manager need to be more responsive to emails and receptive to citizens.	9/6/2023 6:06 PM
80	I grew up in Norco since I was 15 in 1976 we moved here . I still love it here but it seems to be changing and not for the better. It's starting to turn into to big of a city.	9/6/2023 5:48 PM
81	A monthly mailed newsletter containing city new and plans would be very informative	9/6/2023 4:57 PM

89	Keep Norco as a premier Equestrian and sports destination	9/6/2023 8:05 AM
90	I loved when we had the golf cart parade it's a shame some younger kids recklessness has ruined it for others and now carts are not allowed unless licensed	9/6/2023 7:55 AM
91	I love Norco and would love to see our city prosper and our children looking forward to a bright future	9/6/2023 7:49 AM
92	Norco's niche is large, lots and horse keeping lifestyle which is becoming very rare in Southern California, making Norco unique and increasing property values.	9/6/2023 6:52 AM
93	It really doesn't matter what Norco City does if property owners don't maintain their properties to an acceptable minimum, Norco will never look like a million dollar destination with unmaintained properties throughout it.	9/6/2023 6:33 AM
94	I don't believe the powers to be are upholding the current standards already in place. There are too many compromises. I suspect it has to do with money.	9/6/2023 12:33 AM

96	The need for lighted equestrian arenas west of 15 freeway. Particularly, building of large, covered arena at the staging area off Corydon Dr.	9/5/2023 10:12 PM
97	Encouraging communication with new ideas and perspectives, particularly at City Council meetings which pretty much continue to be the "Good Ole Boys" approach.	9/5/2023 9:08 PM
98	Norco city should pay for at least one manure bin for each homeowner	9/5/2023 9:02 PM
99	Praying Norco continues to move forward in protecting its heritage, and equestrian lifestyle for my children and grand children.	9/5/2023 8:50 PM

104	Norco Hills residence pay an enormous amount in special assessment tax and it is not being used to improve the city owned landscaping and especially sprinkler systems, roads, and horse trails. The landscape crew is ALWAYS on Norco Hills Road and Not Valley. The people on Norco Hills Road DO NOT pay a special assessment tax, so I hope this could be addressed. Plants and trees are dying and weeds are growing!	9/5/2023 7:39 PM
105	Control the homeless situation leaking up from the riverbed before we control it ourselves!	9/5/2023 7:18 PM
106	13. Is racist what difference does it make what my nationality is. All people are welcome here as long as the respect and appreciate the equestrian lifestyle	9/5/2023 6:22 PM
107	Pass a municipal code allowing golf carts to be driven on the streets. Many people use them as agricultural vehicles to move hat manure etc. no different than a tractor.	9/5/2023 6:21 PM
108	Keep our government small	9/5/2023 6:09 PM
109	It is imperative to preserve the ranch and agricultural environment otherwise it will become like any other city in California	9/5/2023 5:58 PM
110	I don't own a horse, but I hate seeing a horse trailer going down these horrible holey and beyond uneven streets. That can not be good for the horses. I live on valley view between 4th and a 5th and the streets around here are the worst! I avoid multiple streets in Norco, due to how bad they are. Another issue I see is the condition some houses keep their horses in. Please drive around sometime and look at the properties where there is zero coverage for the horses and they are out in the blazing hot sun 100% of the day. Or in the pouring rain. That should not be allowed in any way.	9/5/2023 5:50 PM
111	My heart belongs to the special town that I grew up in and raised my children in. I never imagined leaving that unique special town, however, all those in charge have lost sight of how special Norco is/was and are making changes that are ruining the town.	9/5/2023 5:39 PM
112	Continue to maintain equine and open space concepts. And continue the rural life style	9/5/2023 5:28 PM
113	The high flow of traffic to cross town on River rd or 7th street can be a nuisance. I know about the incident where some people tried to steal a baby cow on 7th and the neighbors reported it. How fortunate that they saw that. Speed bumps and cameras might be the way to go.	9/5/2023 5:20 PM

117	Love this area and community. I love the views and our homes but there's a lot of cleanup to be done. I don't like to see horse poop all over the streets I understand when it's on a horse trail but it's devastating to see piles and piles of horse poop throughout the street it makes Norco look filthy and it makes it look unkept and I think writers need to take more responsibility for cleaning up after their animals. I understand that they want free reign to ride horses which is fine but they need to keep that stuff on the trails and not all over the streets	9/5/2023 4:36 PM

City of Norco - 2050 General Plan

and not have a responsibility to clean up after their horses. If dog owners need to clean up after their pets then horses should be included in that

118	As a Bluffs resident, I am concerned about the City's desire to shut the prison. I don't trust what will happen to the property if shuttered.	9/5/2023 4:31 PM
119	Keep the animal priority	9/5/2023 4:29 PM

125	Please stop using poisonous sprays and weed killers off our trails in front of our homes our parks can also be maintained w/o them. Only Calif promotes green green and then allows this action.	9/5/2023 3:59 PM
126	More rodeo whole year round events. Include more activities that involve with horses for what the city is known to be. To really expand the city branch to the community and outside community.	9/5/2023 3:49 PM
127	Stop criminalizing people in this town for doing small town things, like drive golf carts around town or kids building jumps for their bikes. Let our kids grow up how it used to be before technology became about.	9/5/2023 3:49 PM
128	Please dont screw up this little piece of Heaven. Appreciate our horse town. God Bless	9/5/2023 3:41 PM
129	Clean up Norco Animal Shelter. It's a mess. I utilized surrendering a stray once when I was a resident. It was a complete disaster with euthanasia of the animal due to spreading of a disease in the facility. Cross contamination huge problem. And the animal control officers LAZY! It has a terrible, terrible reputation. And this is in an animal community.	9/5/2023 3:39 PM
130	Norco is unique. Please try to keep it that way. Fight to keep that lifestyle.	9/5/2023 3:28 PM
131	I no longer feel safe running in Norco. I no longer feel safe walking in Norco after sunset. I no longer ride off property thanks to having been shot at from moving vehicles and from a stationary property with bb/pellets.	9/5/2023 3:20 PM
132	Not at this time.	9/5/2023 3:07 PM
133	I think the hardest challenge in Norco future is to keep in mind that we are "a gem "community. What we offer is unique lifestyle We shouldn't try to offer things like other cities All of those types of modern Focus is rural small town ,equine community, and that's the way we remain special	9/5/2023 2:58 PM

information is key.

144	Please keep the city rural like.	9/5/2023 2:16 PM
145	Horse Town USA is unique, our rural living in a city is worth protecting.	9/5/2023 2:15 PM
146	The future of Norco should embrace the history and embody Horesetown USA.	9/5/2023 2:14 PM
147	The illegal backyard bands affect the norco lifestyle. More restrictions and enforcement	9/5/2023 2:13 PM
148	Develop better public transportation for seniors.	9/5/2023 2:11 PM
149	Thank you for including residents in this vision! Please continue to keep large scale developments/corporations/warehouses out of our town!	9/5/2023 2:06 PM
150	Never build apartments in Norco	9/5/2023 2:05 PM
151	Get rid of the ordinances that are non equestrian friendly To help out the few remaining large branches left in Norco.	9/5/2023 2:03 PM
152	Keep Ruaral equestrian, animal keeping lifestyle. No new housing developments.	9/5/2023 2:02 PM

155	I just want to continue being happy raising our kids here and with Norco schools having values and morals so we can stay a part of the community	9/5/2023 2:00 PM
156	We've lived here 42 years and it's become commercial enough. We were so happy to hear we had become an Equestrian Historic District. Let's keep it like one!	9/5/2023 2:00 PM
157	Don't Orange county our Norco. Also, controll the expanding transient population.	9/5/2023 1:59 PM
158	Make all ball fields and parks wheelchair accessible	9/5/2023 1:58 PM
159	I appreciate our government leaders both locally and nationally. Thank you for your hard work	9/5/2023 1:57 PM
160	I'd like to see. Affordable senior dial a ride for getting around town grocery shopping, DDS, Vision, banking.	9/5/2023 1:56 PM
161	I think we need to do a better job as a city supporting the non profits that work so hard for the city. Horsemen's Assc, Fair Committee, Horseweek etc, the riding clubs, FFA, senior and pets. We should have very discounted rates for these organizations, that want to use facilities. We shouldn't be trying to make money off of them when the majority of them are citizens of Norco and pay the taxes that built the facilities.	9/5/2023 1:56 PM
162	dont go woke and kill what we have here. We have a great city lets keep it this way	9/5/2023 1:55 PM
163	Keep Norco Horse focused!	9/5/2023 1:55 PM
164	Bring back being able to build workshops in our backyard as long as we keep our property rural and zoned for animals!	9/5/2023 1:54 PM
165	Keep Norco, Norco	9/5/2023 1:54 PM

167	I think it's perfectly fine for locals to drive their golf carts on our streets.	9/5/2023 1:53 PM
168	Traffic has increased significantly in Norco, but the policing of traffic has not. Speeding, illegal lane changes, illegal parking, blocking traffic at intersections and failure to stop at signals and signs is rampant.	9/5/2023 1:53 PM
169	We are a multi generational family living in versions areas of Norco, dating to the mid '70s.	9/5/2023 1:53 PM
170	Repave Hillside between 3rd and 4th. Preferably before 2050. But if not, put it on the plan	9/5/2023 1:50 PM
171	Animal services needs improvement. They either turn a blind eye to big problems or they overreact unnecessarily to the small stuff. There is a perception that the city doesn't really protect the horses in a Horsetown USA.	9/5/2023 1:48 PM
172	There's no place I'd rather live	9/5/2023 1:48 PM

City of Norco - 2050 General Plan

173	Love our town, wish all streets were better maintained... Sad when replaced wood corral fencing for white plastic fencing, much like alta Loma or Orange county cities... Lost our rustic feel	9/5/2023 1:47 PM
174	A way to improve school traffic	9/5/2023 1:47 PM
175	I fear we will lose our wonderful animal friendly town to city living. It's already happening.	9/5/2023 1:46 PM
176	I love the city. It's one of the best cities in the area and I know it's getting harder and harder to keep it. That would be great if we can at least keep the integrity for another 50 years.	9/5/2023 1:44 PM
177	Not at this time	9/5/2023 1:42 PM

187	No more warehouses or distribution centers—WORST DECISION EVER to allow them in Norco! They will increase our already bad air pollution problem, add to traffic, and make our already bad roads worse.	8/31/2023 9:16 PM
188	Keep the animal lifestyle. Get rid of the homeless. Do something with the mentally ill and the drug attics roaming the streets. They are very dangerous and unstable. I don't want to hear the liberal excuses that it's not a crime to be homeless. There are multiple public services to help them.	8/31/2023 10:33 AM
189	Last and final thought/request, make public transportation accessible on the west side of Norco. It would be great to have a bus line on River Rd. that connects Norco, Corona, Chino, and Eastvale for residents who utilize public transportation. Thank you.	8/31/2023 7:14 AM
190	I live right by a stop sign that I watch on a daily basis being ignored! People literally just plain run right through it!	8/31/2023 12:52 AM
191	Yea our AutoMall was a bust, now looks old and under used.	8/30/2023 5:25 PM
192	Will there be commuity focus groups for residents to learn more about the development of the updated General Plan?	8/30/2023 11:33 AM
193	Love the new streets, especially 1st street. Hopefully the dirt and gravel will be corralled in to spaces off the street.	8/30/2023 11:05 AM
194	The section of 6th Street between California and Crestview needs to have speed limit changed from 35 to 25 mph. This section is residential, not commercial. Be nice to have more law enforcement/ patrol of speeders and loud exhaust. Not to mention the traffic from freeway cutting through to Riverside.	8/30/2023 9:17 AM
195	This survey is needed. I hope you do something with the findings. Thanks much.	8/30/2023 8:49 AM
196	This city needs to double down on the animal keeping lifestyle. As other areas of CA become congested, it will become more important for those animal lovers to have a place to move. It is important though to have different types of housing that includes area for community animal keeping. Not everyone who wants to live here can afford the large lot homes.	8/30/2023 7:53 AM
197	Bring back some of the old Norco ways.	8/30/2023 6:30 AM
198	Add a nice dog park with an area for small dogs and another for large dogs.	8/30/2023 5:46 AM

200	When grooming the horse trails, please don't pack them so hard.	8/29/2023 9:47 PM
201	Don't build apartments unless they are for senior living and only two stories high	8/29/2023 8:36 PM
202	We appreciate you taking the time to ask for our input. Currently, we tend to go to Orange County for entertainment and we would sure appreciate being able to get quality entertainment in our new hometown of Norco.	8/29/2023 8:31 PM
203	Keep the noise ordinance. everyone on the street I live on enjoy are peace except one who thinks he is entitled to blast music every week end No air bed and breakfast.	8/29/2023 8:13 PM
204	Don't eat yellow snow	8/29/2023 8:13 PM
205	Keep up the good work! I'm proud to be a Norco resident and I'm happy with the job the city is doing to help keep Norco great.	8/29/2023 8:10 PM
206	Development along Hamner and River which includes high density affordable housing is a must. Develop our downtown so that it's not so trashy looking. No more bars or liquor stores are needed. Develop a teen center; water parks ; skate park ; more recreation programs that are free or affordable.	8/29/2023 8:08 PM
207	Hoping that SIXTH. Street will always be considered the path up to Ingles equestrian center, our fabulous Veterans Memorial Plaza, And retain the western flavor that it has today. I think the city has done a great job with the development along SIXTH. Street and hope the city would do all he can in the future when some of the older lots are improved to keep that western atmosphere. I would also like to see a continued emphasis in the city to develop our urban forest and continue to plant as many trees as possible all over town. Thank you.	8/29/2023 7:53 PM
208	Take action. Answer emails sent to the city.	8/29/2023 7:37 PM
209	My family living in Norco has highly educated Physician and Attorney members.	8/29/2023 12:13 PM
210	Hire more traffic deputies.	8/28/2023 5:06 AM
211	Thanks for asking us what we think. Be innovative in your development work. We would appreciate that.	8/23/2023 6:32 AM
212	Best decision was made when we moved here to norco. It aligns with our conservative morals and values. The sense of togetherness from out neighbors that support this American views	8/21/2023 6:39 PM
213	You want this city to thrive, bring in other business than auto dealers. Building department needs to do their job and not act like they own all the properties in Norco. FYI I have had contractors do work on my property and all except one said they would would work in Norco again if they doubled the price. I have life long friends who are contractors (civil and environmental engineers) who constantly work at Wylie Labs and at my home, and have expressed to me they have never met such incompetent people in the engineering and planning. Out of all the cities in southern ca they have worked at, Norco by far is the worst city to work with (yes, worse than the city of LA).	8/19/2023 1:09 PM
214	Let's clean up Norco	8/17/2023 7:24 AM
215	Would like to see more sheriffs out and about and maybe a couple motorcycle officers to patrol the streets better.	8/16/2023 6:53 PM

219	No	8/15/2023 6:32 PM
220	Did I mention the roads? Seriously. Please drive down Temescal north of 6th to 7th and it's like going on a safari. I can't have a phone conversation on the road. I'm embarrassed inviting people over. The project is way overdue. Please don't wait into 2050. Thanks.	8/14/2023 9:45 AM
221	LETTING THE PLANNING DEPARTMENT BE MORE LENIENT ON ISSUING PERMITS FOR UPGRADES ON OLDER HOMES. NOT HOLDING PAST PROJECTS, BY OTHERS, FROM ISSUING A NEW PROJECT PERMIT.	8/9/2023 1:28 PM

224	There are many like me who do not live in Norco but want Norco and its lifestyle. Attracting us and connecting with all of us will help Norco thrive.	8/8/2023 10:08 PM
225	Keep Norco, Norco and find ways to attract future residents that have the same appreciation for the agricultural lifestyle that existing residents have.	8/6/2023 5:01 PM
226	Our town is unique and most residents feel our City Council is selling us down the road especially after the Silver Lakes fiasco.	8/5/2023 3:52 PM

228	Something with the corner of Parkridge & Hamner to keep the homeless at bay.	8/3/2023 6:11 PM
229	Once you loose the land to development you lose the lifestyle. And now turns into bellflower Hawaiian gardens Cerritos Yorba Linda any other town that had horses and is now gone	8/3/2023 3:03 PM

232	6th Street has the potential to be leveraged to only increase the draw of tourism beyond rodeos and shows. Drawing visitors and keeping visitor local for shopping and entertainment and increasing sales tax revenue.	8/1/2023 12:13 PM
233	Love Norco - love what it stands for --- large lots, equestrian community - animal friendly (We have dogs) . Lets keep our big business - keep it rural while providing a unique city center of activity.	7/29/2023 9:42 PM
234	Yes, please promote 4H it has come to my understanding that this wonderful animal keeping city now no longer even has a 4H program! What the trailblazers is wrong with you. If you can't actually have a animal keeping lifestyle then stop saying you do and just admit it's nothing special anymore!	7/28/2023 10:26 AM
235	This city is an amazing concept . It would be wonderful to see it taken care of as one	7/27/2023 3:57 PM

240	More safety on the trails from motor bikes	7/24/2023 5:43 PM
241	I'm disapointed with how the senior center back garden area is maintained. It's like noone cares and noones responsibility. It's up to the seniors to empty the large trash cans or they don't get emptied at all.	7/24/2023 5:00 PM
242	4th Generation Norconian, who raised the 5th here, but they had to leave to raise the "would-be" 6th generation in Norco due to the cost of homes :(7/24/2023 3:20 PM

City of Norco - 2050 General Plan

250	As much as the Riverside cut through traffic could be fiscally beneficial for our city, realistically nothing is drawing those commuters into our businesses. We either need to try and get them to stop/eat/shop here or we need to find a way to reduce the burden their traffic is causing.	7/4/2023 10:20 PM
251	Old Hamner needs a lot of work, please include it on your grand plan	7/4/2023 8:17 PM
252	Support mentorship and leadership programs so that new faces can represent us - we are tired of the old white guys.	7/4/2023 8:12 PM
253	I would love for the residents and the city as a whole to be more tolerant to people of all political and social views. It can feel intimidating to voice opinions that differ from the majority and local Facebook groups and Neighborhood apps can be a very hateful place. It's very disappointing to see the vitriol that people speak about others just because they have different opinions. I've really been appreciating the City Council's efforts to acknowledge and celebrate diverse groups, cultural celebrations and issue inclusive proclamations. I think it is setting a great example for how we want our city to be welcoming to everyone.	7/4/2023 4:37 PM
254	So far so good	7/4/2023 12:35 PM
255	I appreciate the updated website (very nice), the emails, Nixle alerts, and enhanced communication by the City.	7/4/2023 7:47 AM
