

# **VETERANS MEMORIAL BRICK** ORDERING INFORMATION

The George A. Ingalls Veterans Memorial Plaza provides all of us an opportunity to make sure we never forget the price paid for our freedom. On two acres of park land in Norco, CA, also known as Horsetown USA, is a stunning memorial unlike any in Western Riverside County. This memorial includes the names, both living and deceased, of the men and women who have answered their country's call to service and defended our freedom. It is important to recognize the contributions of those who gave their lives in the service to their country. Together, we bring the stories and sacrifices of American heroes to life, and ensure they will never be forgotten.

Purchase and dedicate a brick as a means to honor or remember a service man, woman or military service animal. Each brick is engraved with a message and placed in the "Circle of Honor" inside the George A. Ingalls Veterans Memorial Plaza as a lasting reminder of the faith and support of our service men or women who have served their country.

Consider purchasing a single brick or several bricks to show your patriotism. Choose from either a 4" x 8" brick with three lines or an 8" x 8" brick with six lines. You also have the option for an 8" x 8" with a die struck brass service medallion (for an additional cost) and 3 lines available for personalization.

Please make sure all fields on the attached form are completed before submitting order. Thank you!
