George Ingalls Veterans Memorial Brick Assistance Program

Through generous donations, the Veterans Memorial Executive Committee is able to offer financial aid to Veterans or families of Veterans who need assistance paying for a Veterans Memorial Brick. These funds will be distributed to the Veteran or Veteran's family to help offset costs for Veterans who otherwise may be excluded from participating. The Committee will cover the full cost of a 4x8 brick. If an 8x8 brick is preferred, the purchaser will be responsible for paying the increase in the cost.
