PERMIT ISSUED TO:

NAME: _____ PHONE: _____

ADDRESS: _____
Norco, CA 92860

I hereby certify that I am aware of the provisions of Chapter 6.45 "City of Norco Manure Management and Disposal" of the Norco Municipal Code, and I will comply with the permit provisions stated below.

Received copy of Ordinance No. 889

Signature of Permittee/Owner

CONDITIONS OF THE PERMIT

1. Persons who keep livestock shall regularly dispose of accumulated and stored manure. Manure shall be removed from properties on a weekly basis unless the approved hauler scheduling (Waste Management) allows for a variation. Please read Ordinance 889 for further information.
2. All persons who keep livestock shall participate in the City's manure collection program. The collection and transportation of manure from commercial and private properties within City boundaries shall be done utilizing the City's designated franchise manure disposal contractor (Waste Management). **However, persons who have been issued a valid self-haul permit may privately haul their manure to an approved designated disposal facility in lieu of using the City's franchise manure disposal contractor.** In order to do so, such persons must be issued a self-haul permit from the City's Public Works Director. Such permits shall be reviewed annually.
3. The Director of Public Works shall issue a permit upon determination that the applicant is able to dispose of the manure by transporting the manure to a County approved landfill or approved facility in a safe and sanitary manner in accordance with the provisions of a Self-Haul permit. Name of facility: _____
4. A minimum of 24 Riverside County landfill disposal receipts, for each calendar year, must be turned in to the Public Works Department in order for your permit to be renewed for the following year.

This permit shall expire on the 31st of December 20__.
